

CHAPTER 10

I was so excited that I could barely sleep last night!

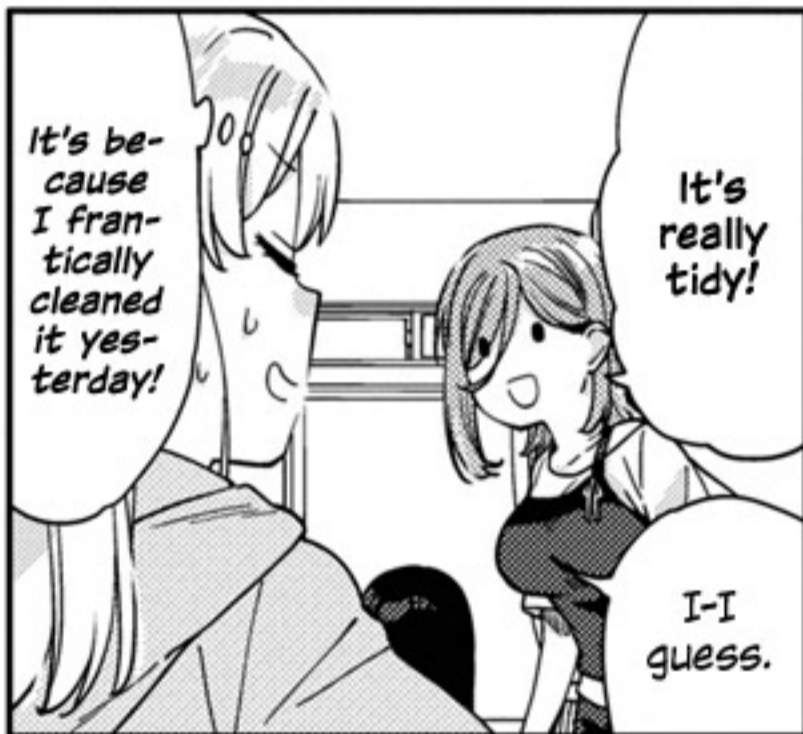

A souvenir?

I couldn't wait...

Hehe.

I would've come to pick you up if you were close by.

It's because I frantically cleaned it yesterday!

It's really tidy!

I-I guess.

Excited...

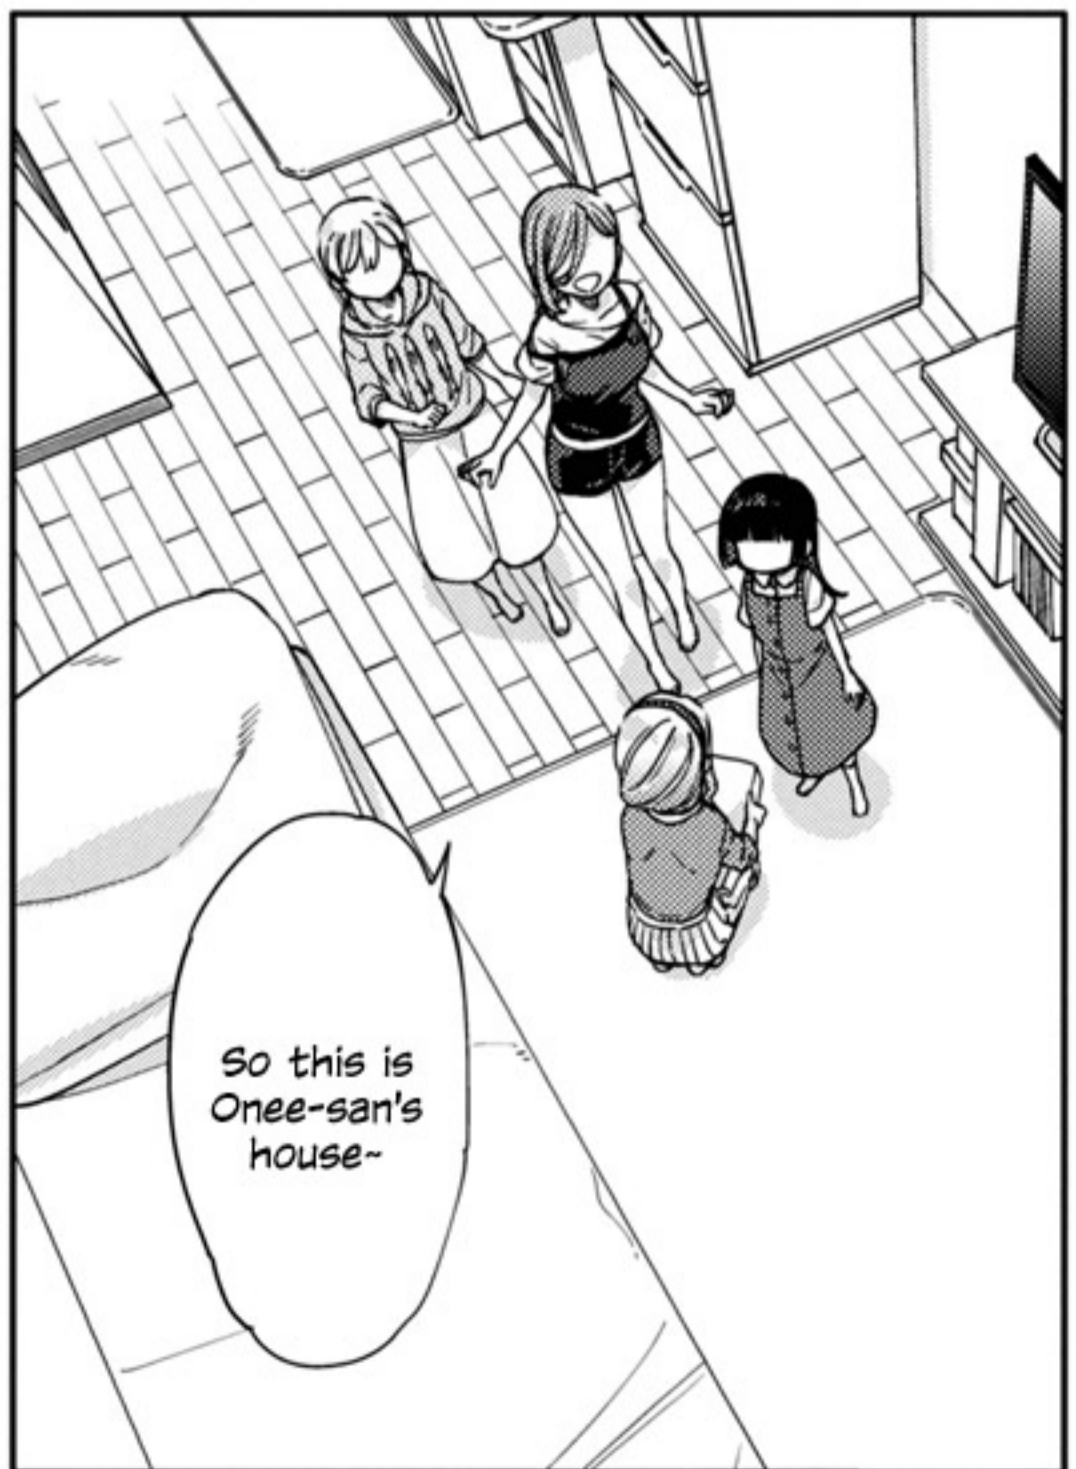

Heh-

Isn't it kinda cramped and boring?

Like I told you on the day you asked me,

I really don't have anything here.

So this is Onee-san's house-

...

Wouldn't you rather go out somewhere?

Just chatting is fun enough!

That's...

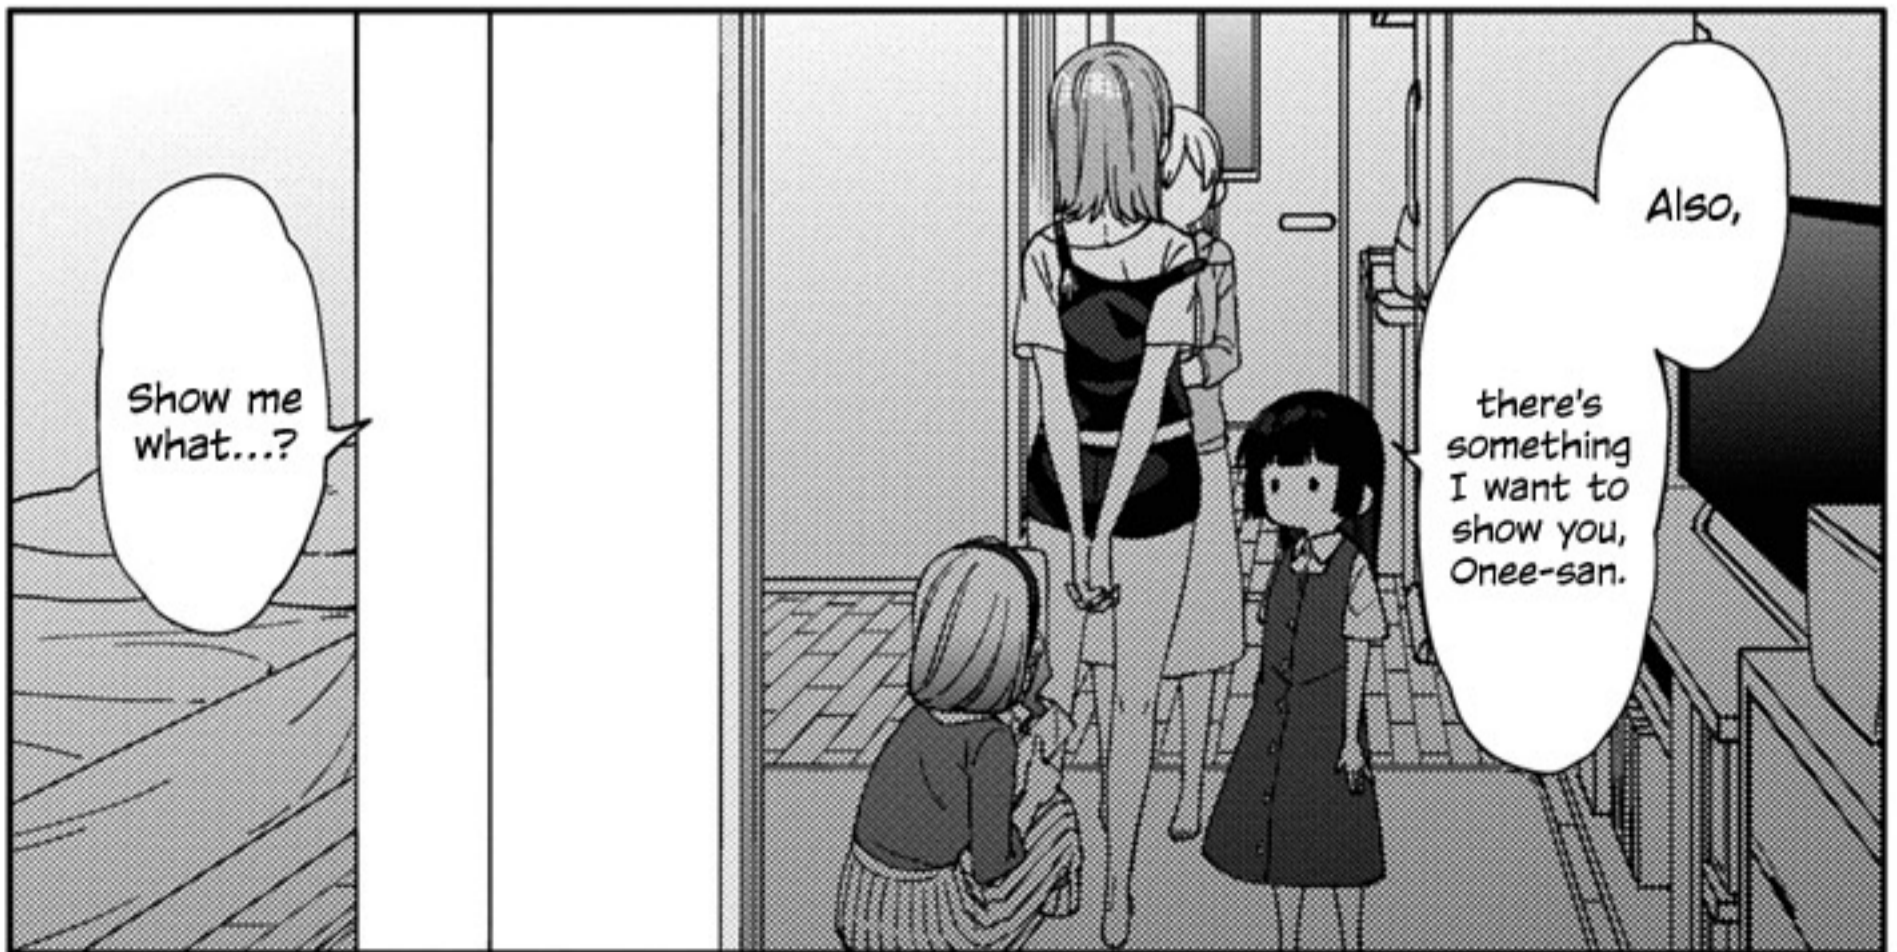

I feel the same, though.

Hmm~

That would be nice in its own way,

but I wanna stay here!

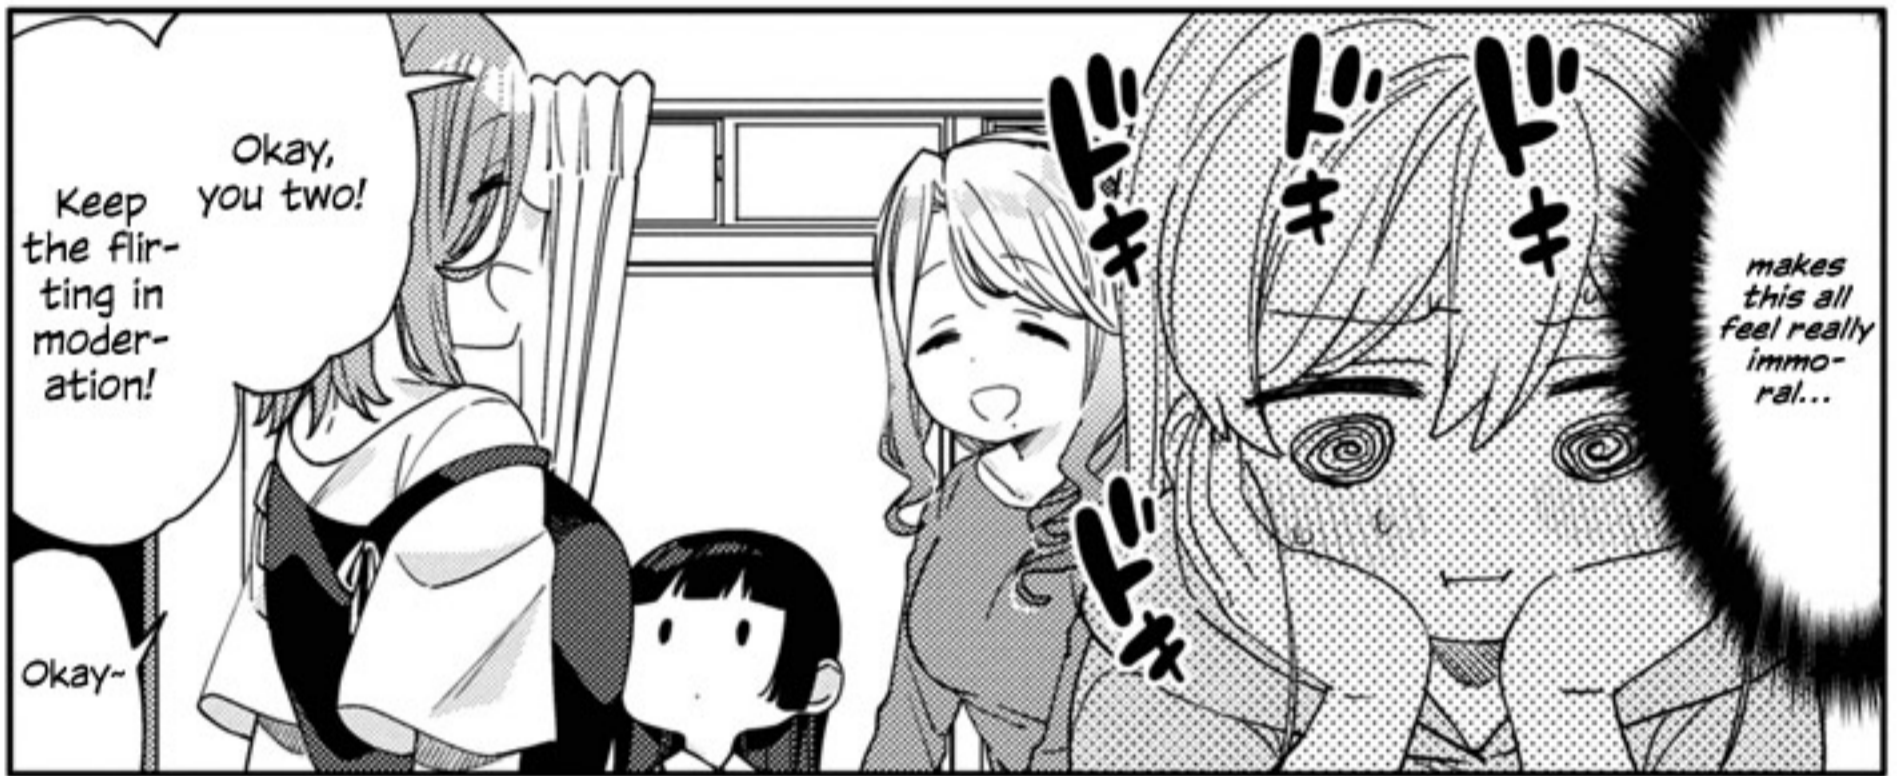

Show me what...?

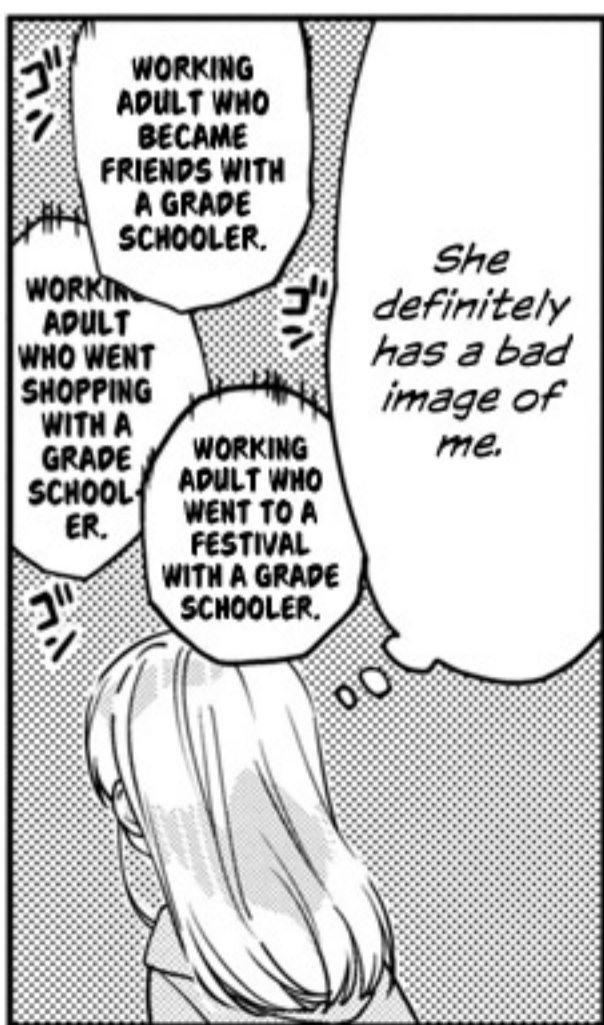

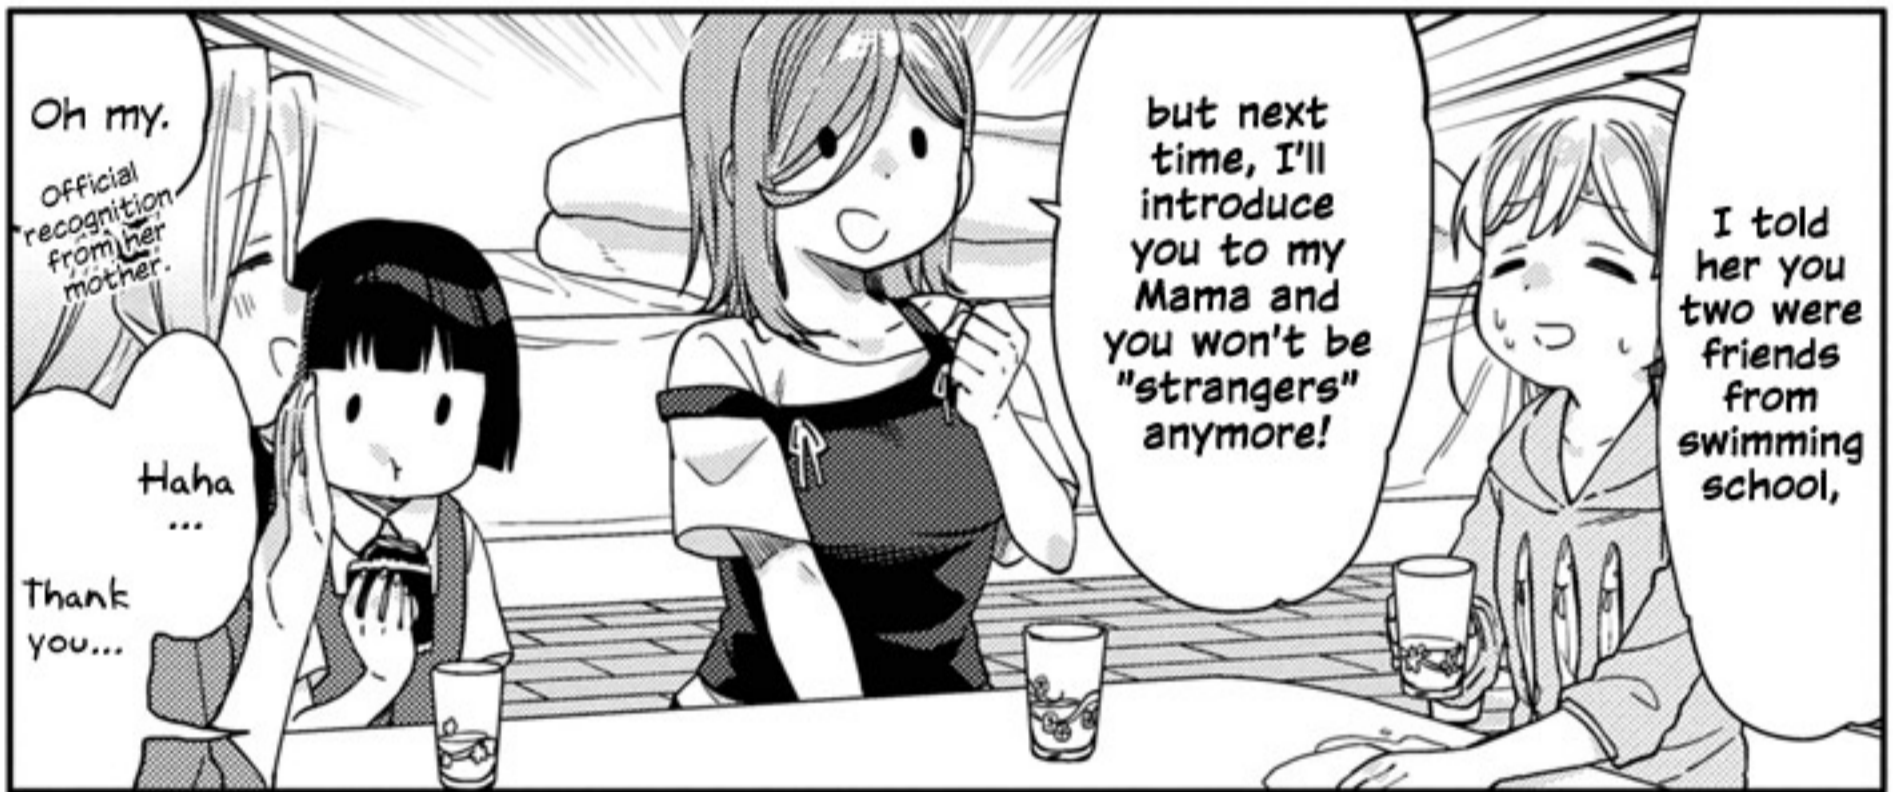

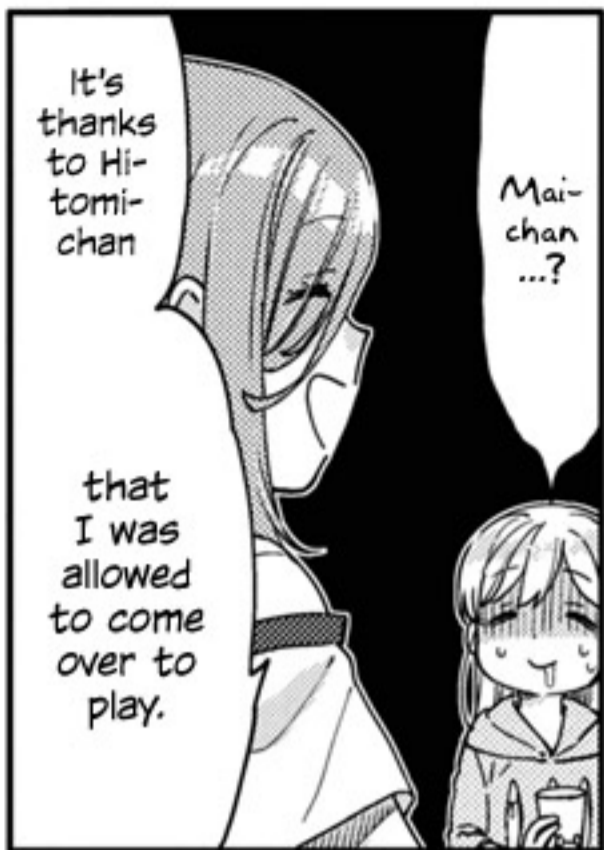

Also,

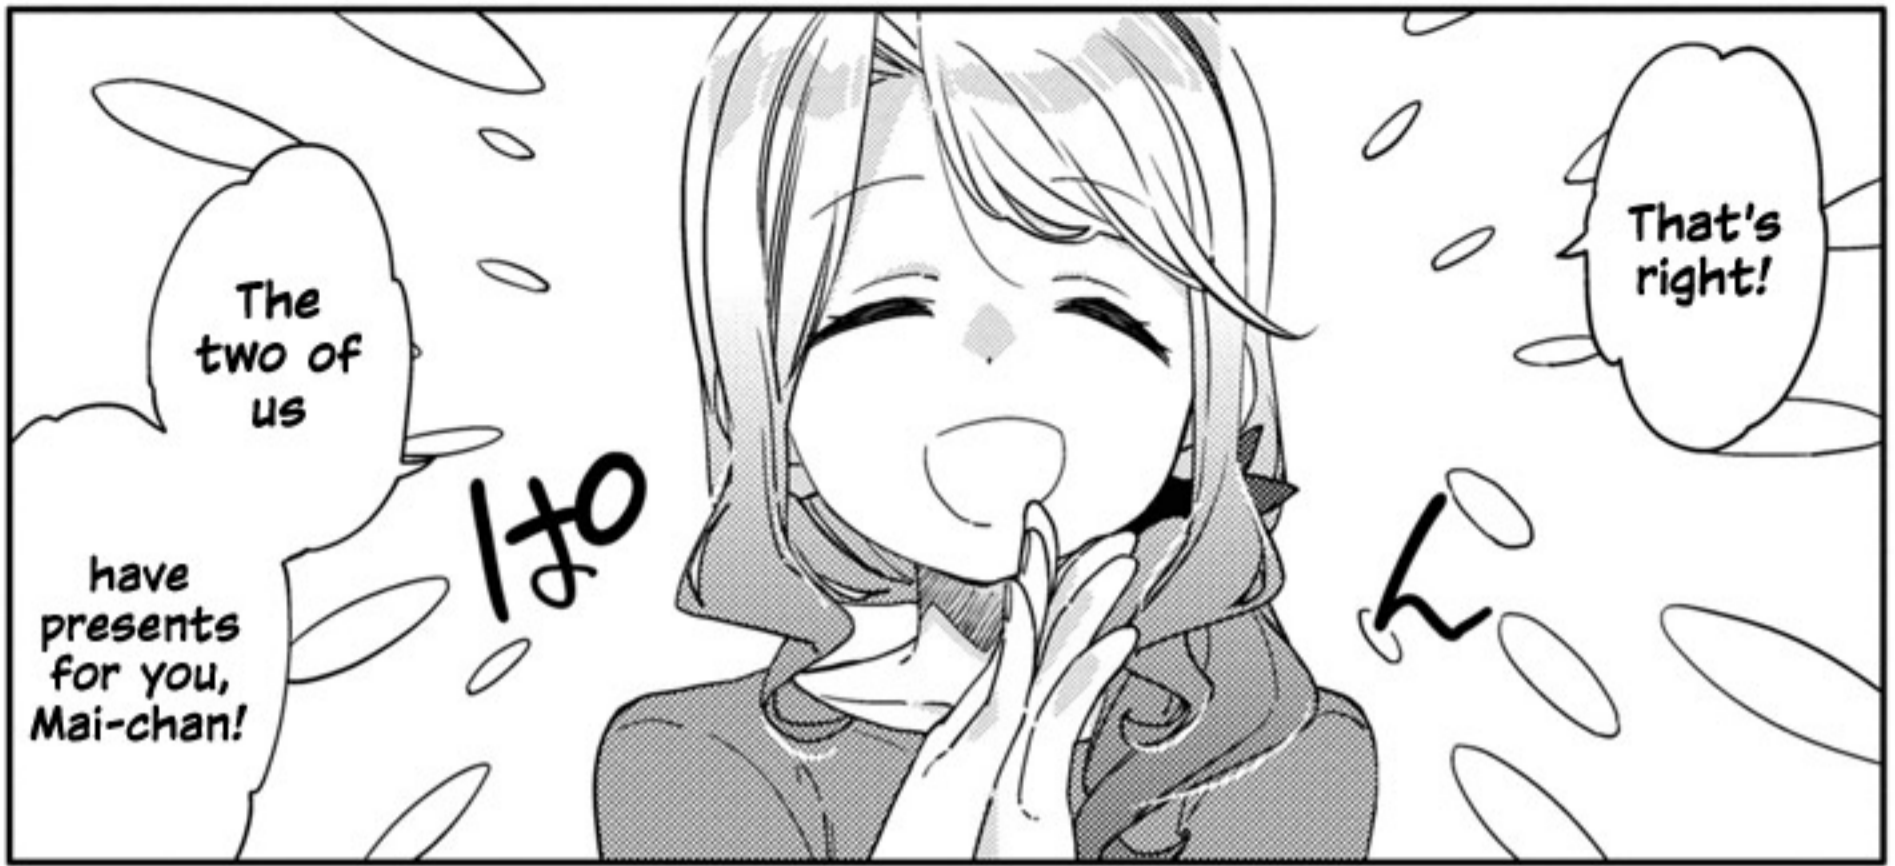

there's something I want to show you, Onee-san.

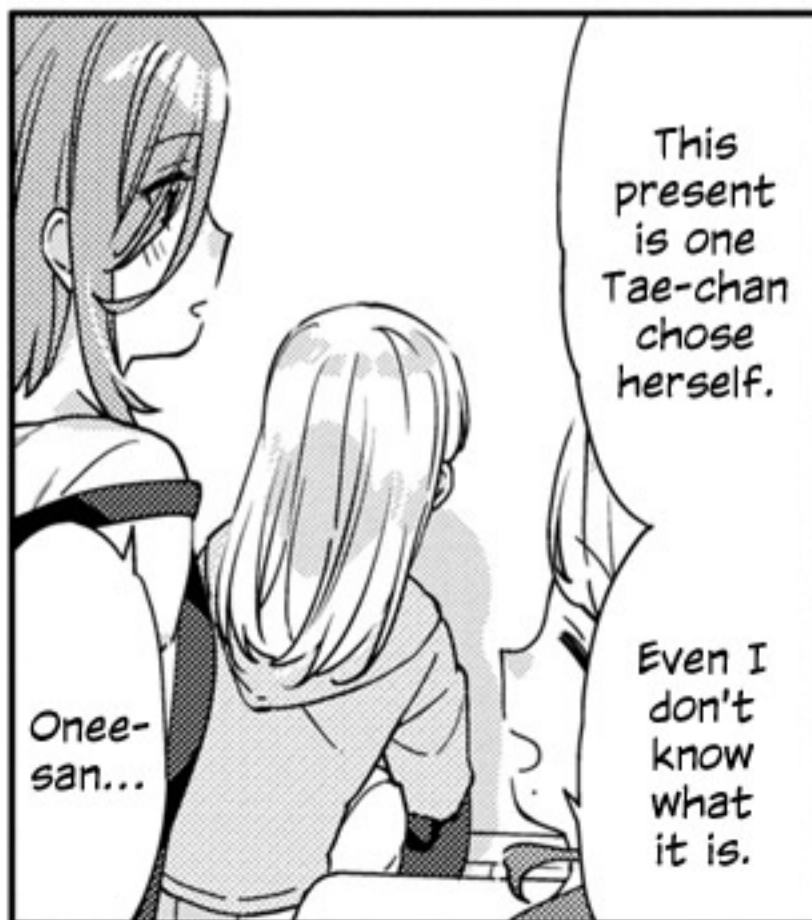

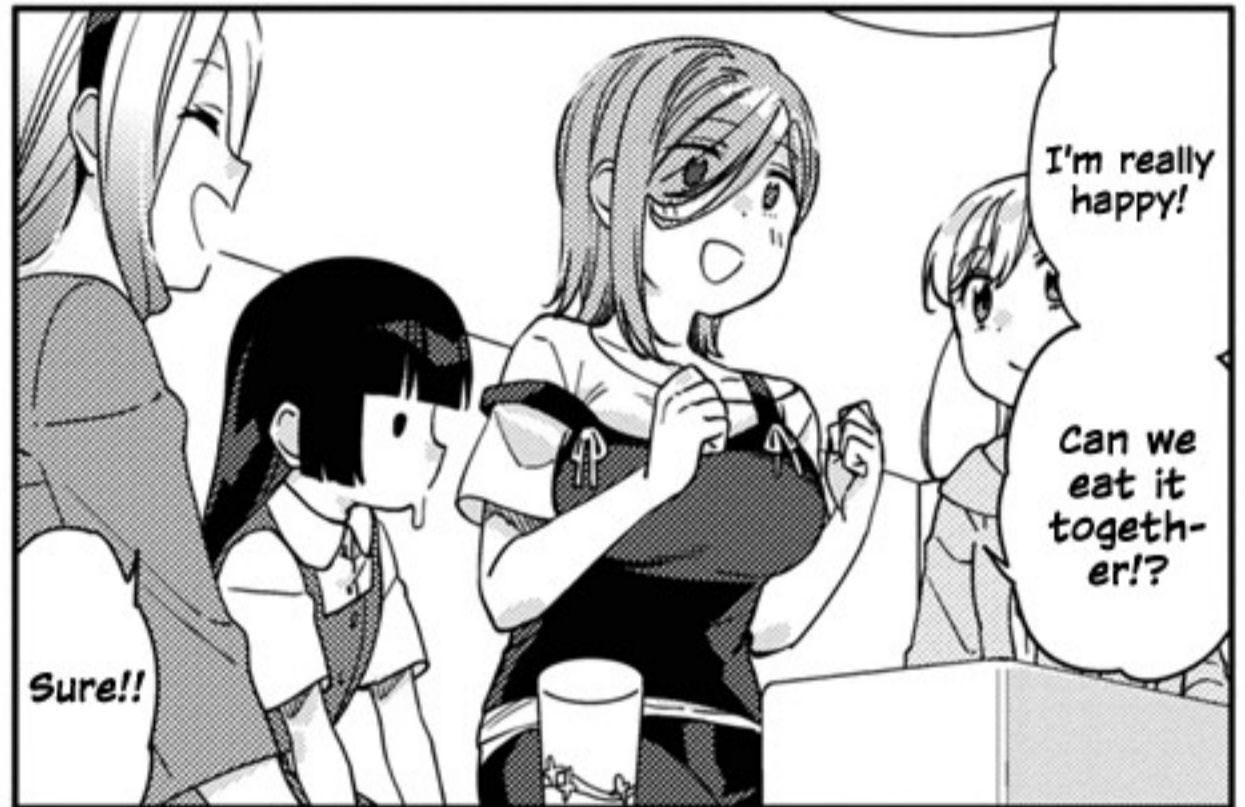

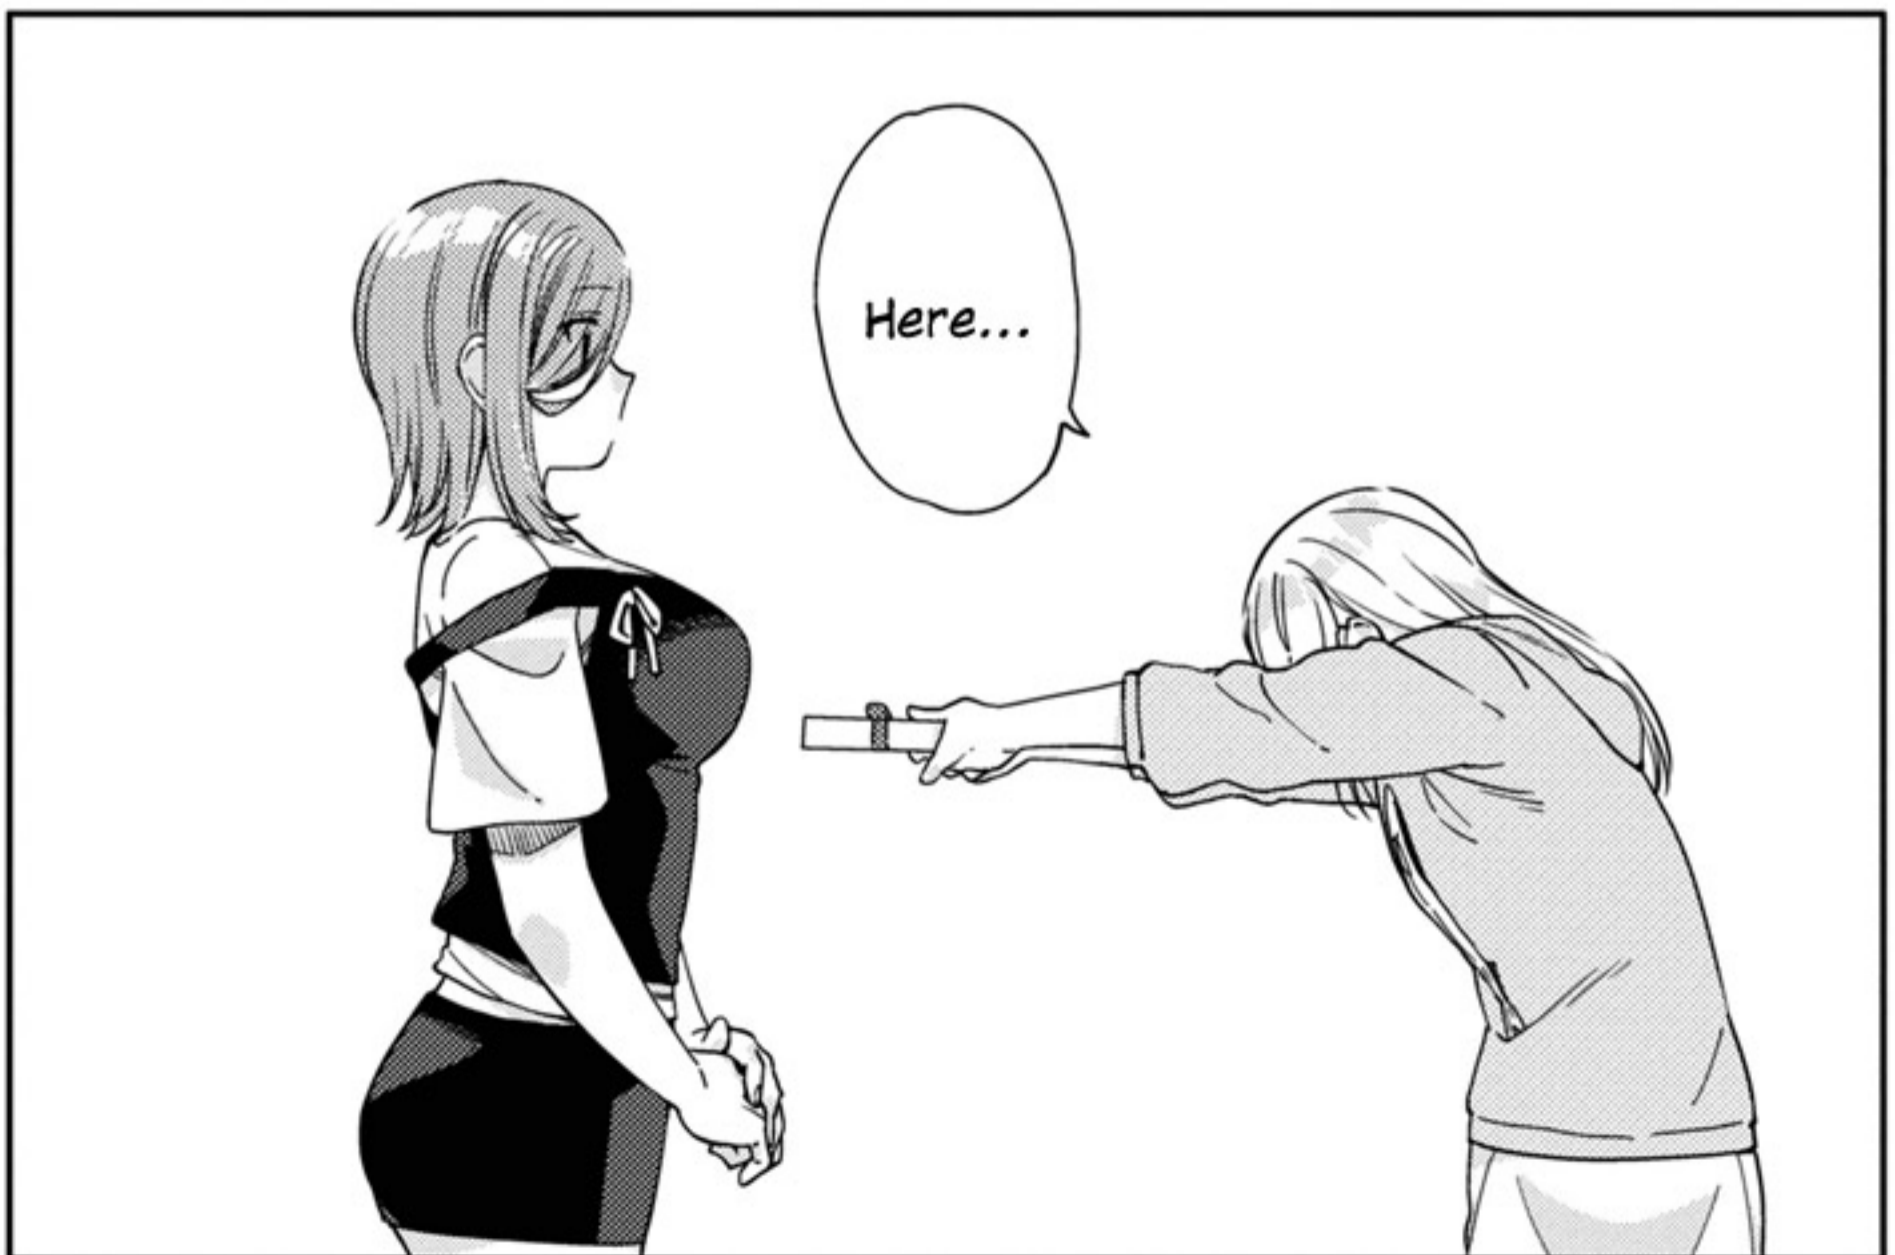

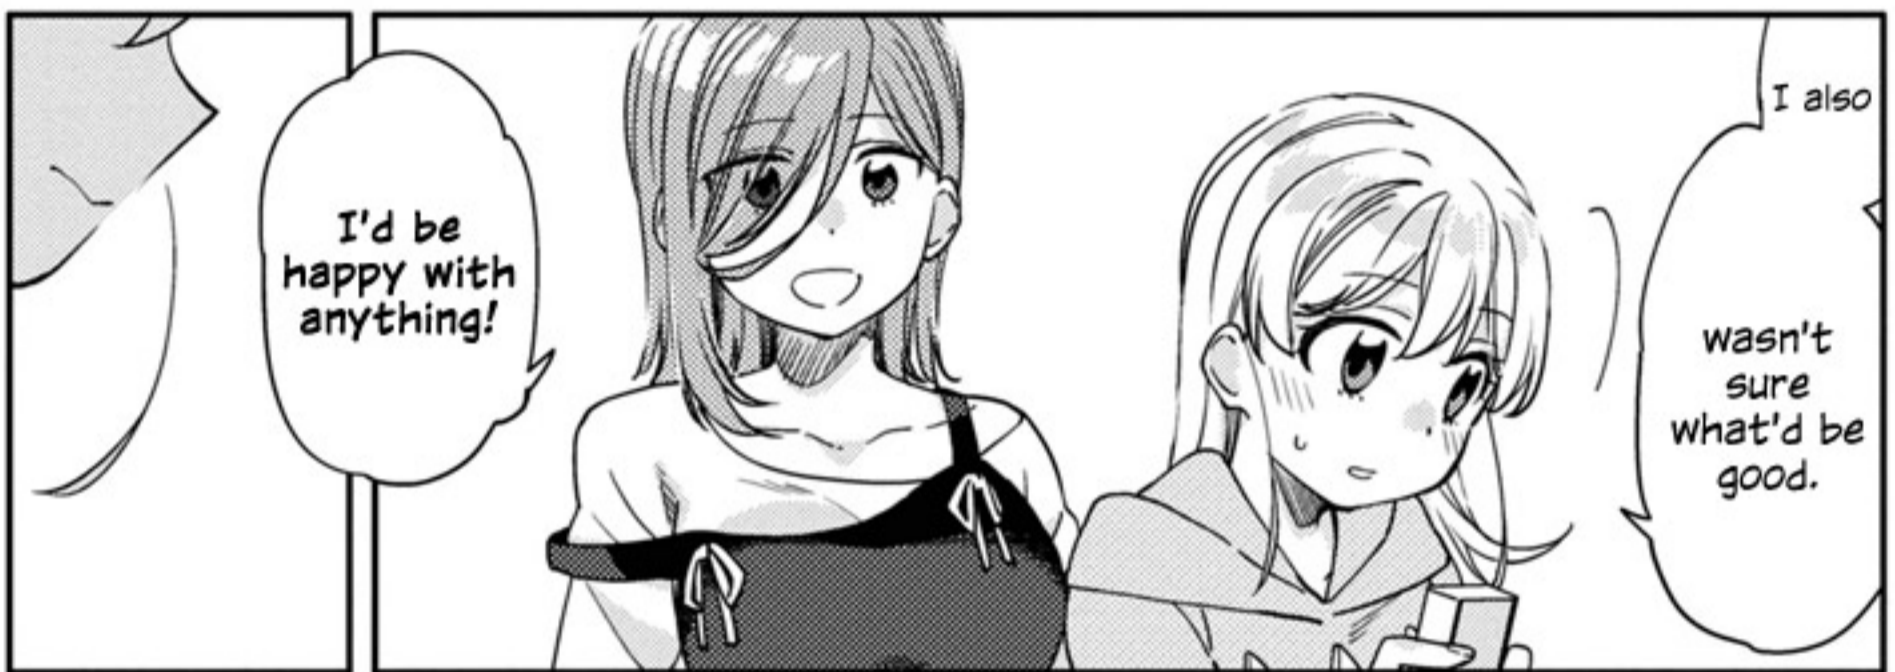

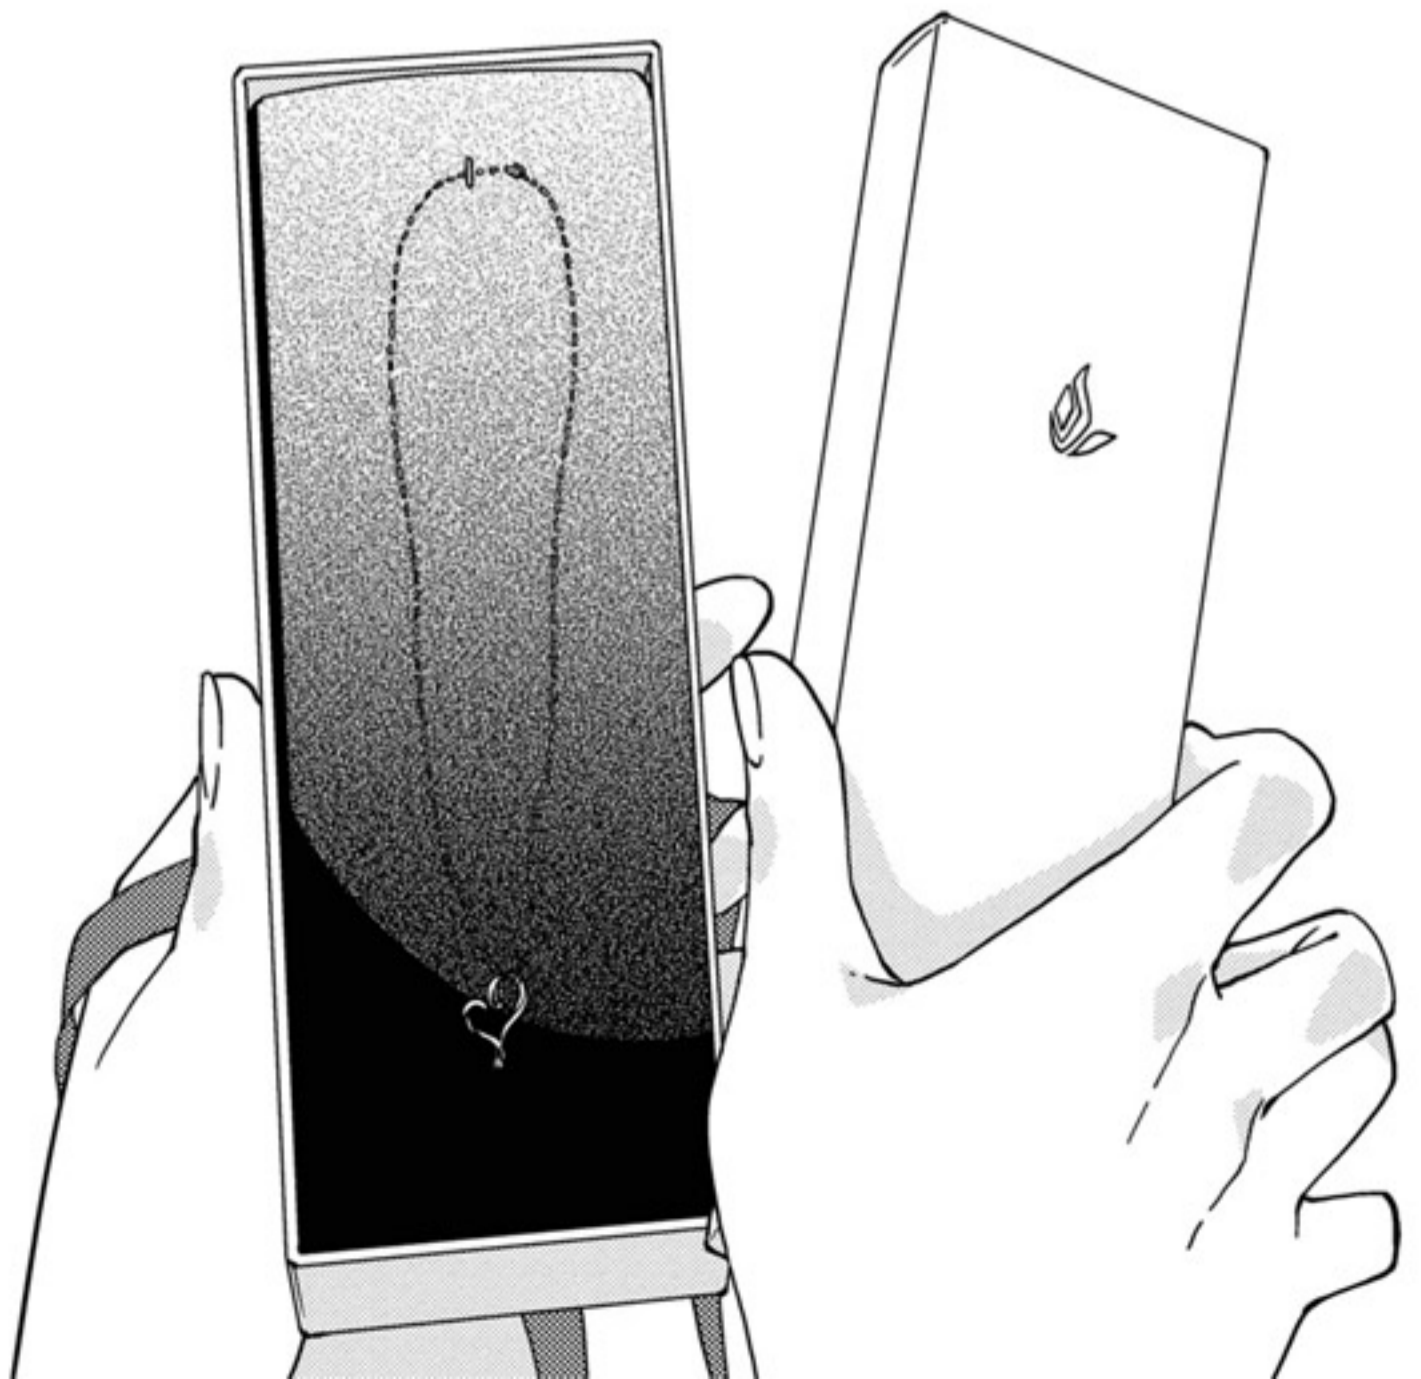

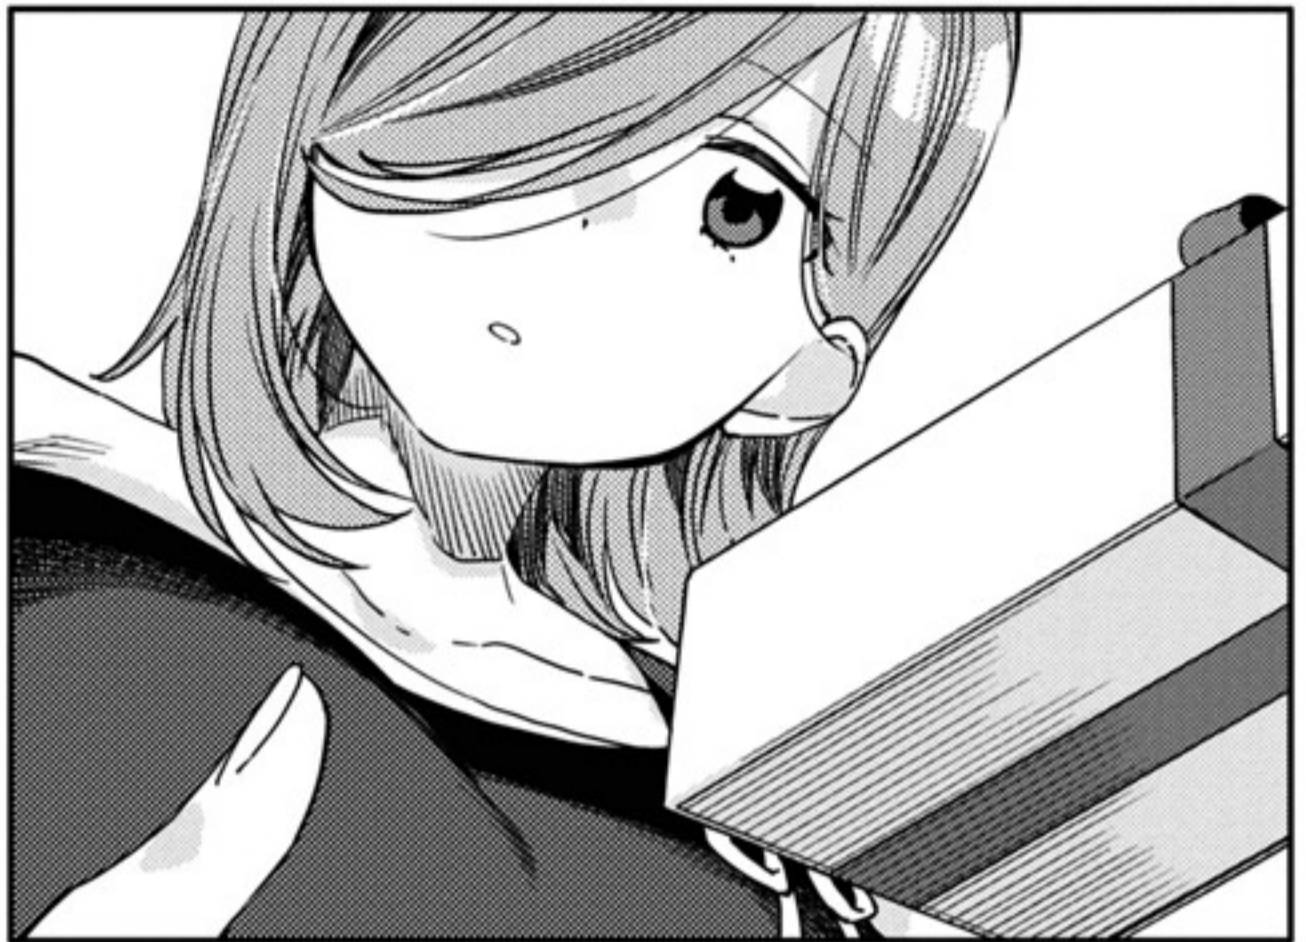

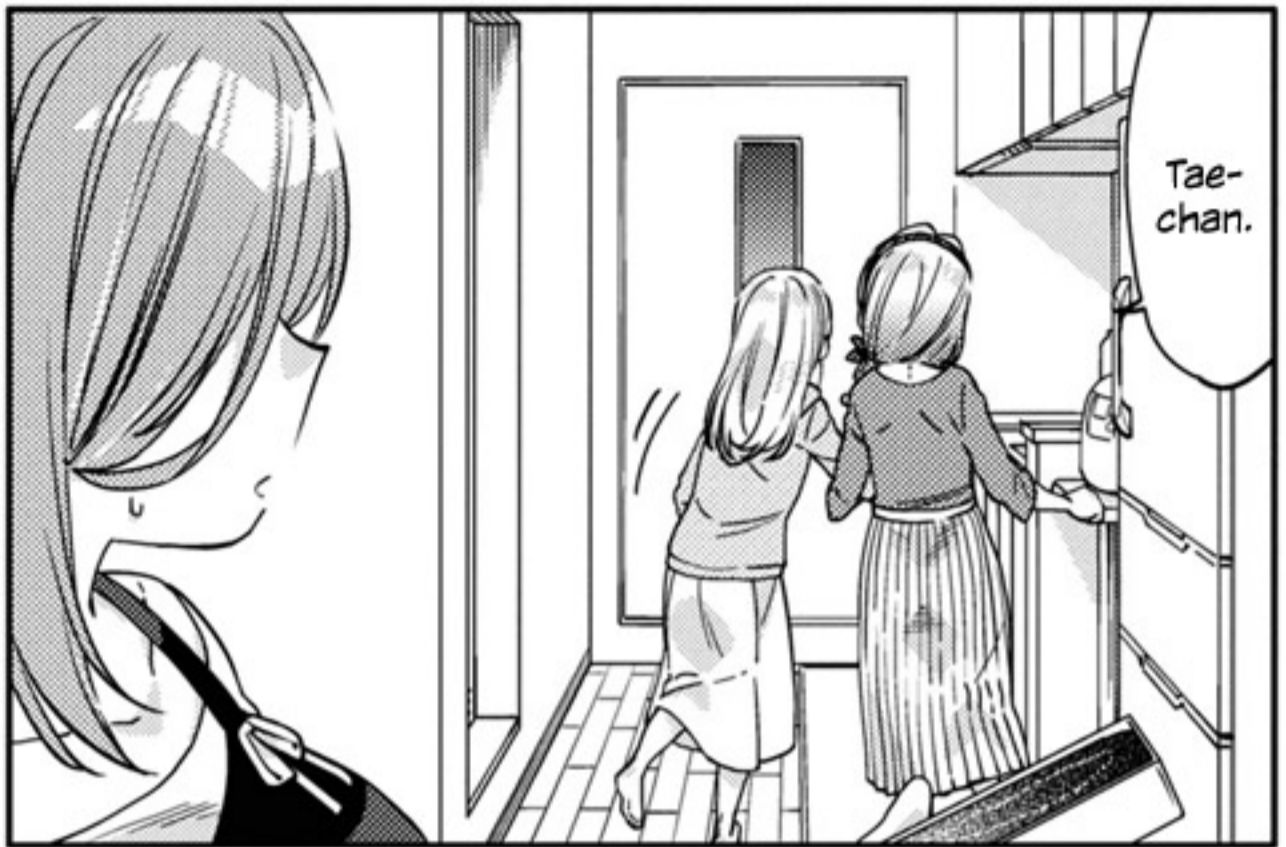

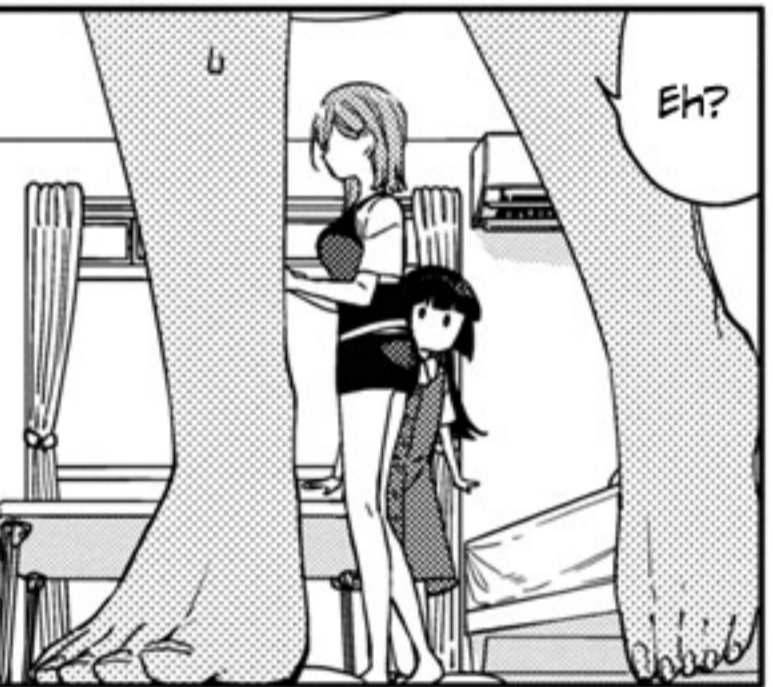

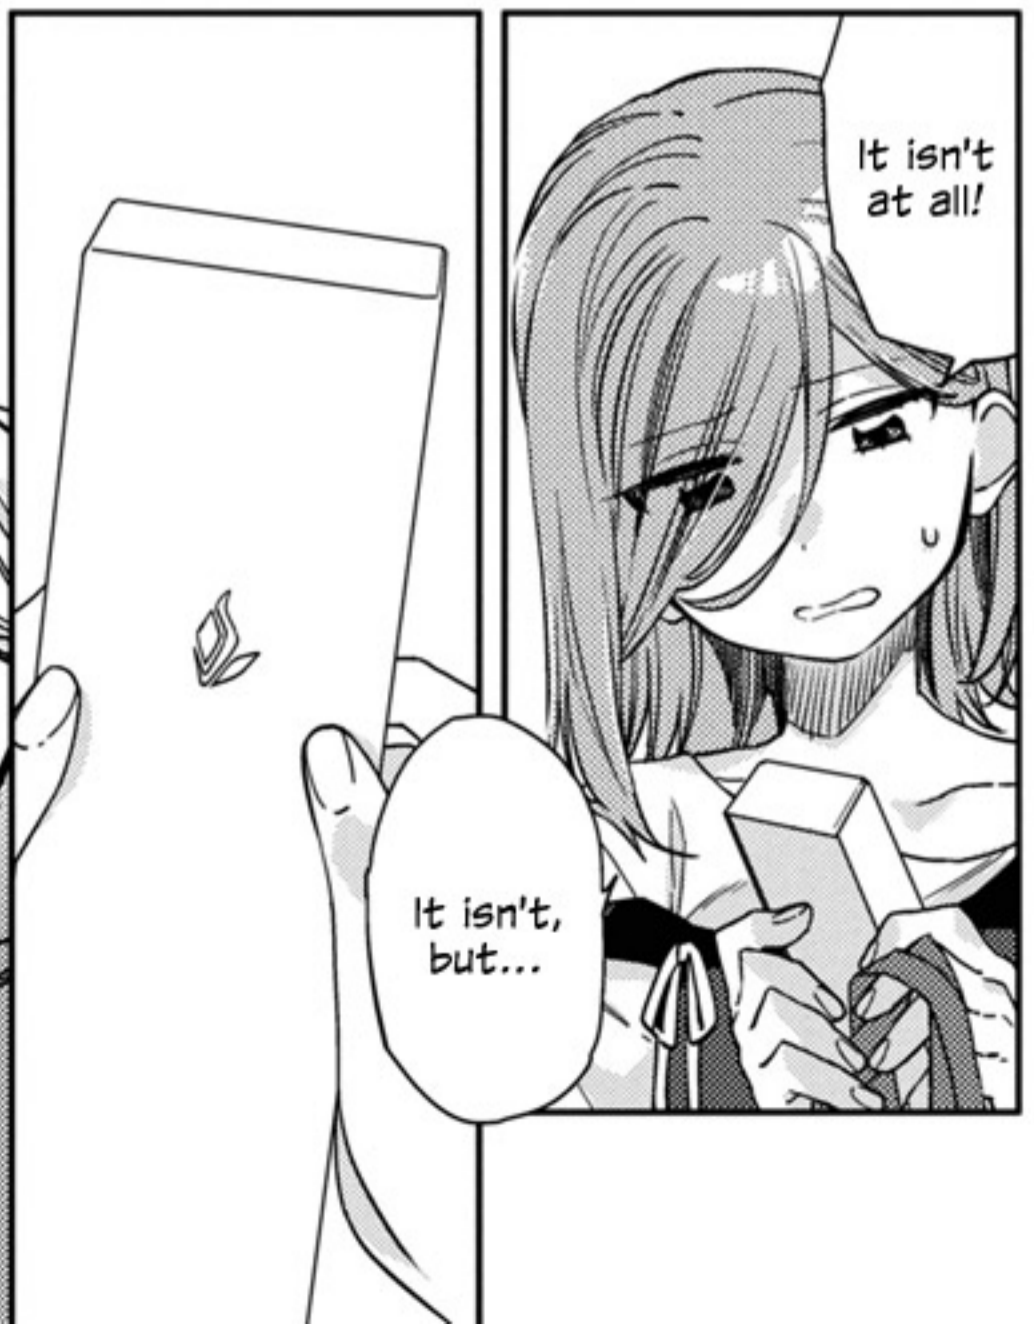

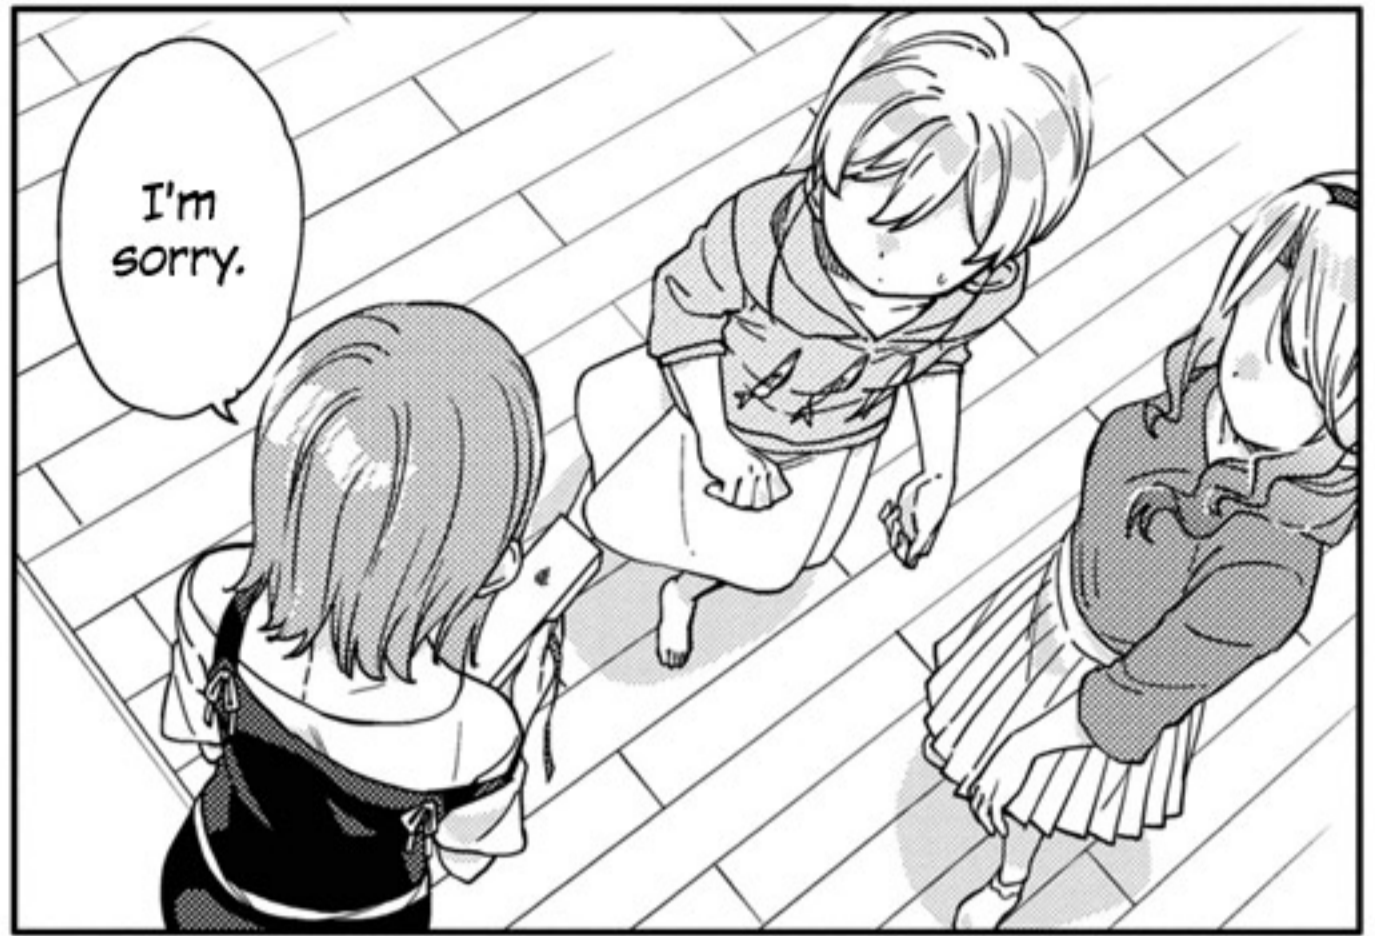

Yes?

Giving something like that to a friend... or rather a grade schooler is a little...

...I guess an accessory was going too far...

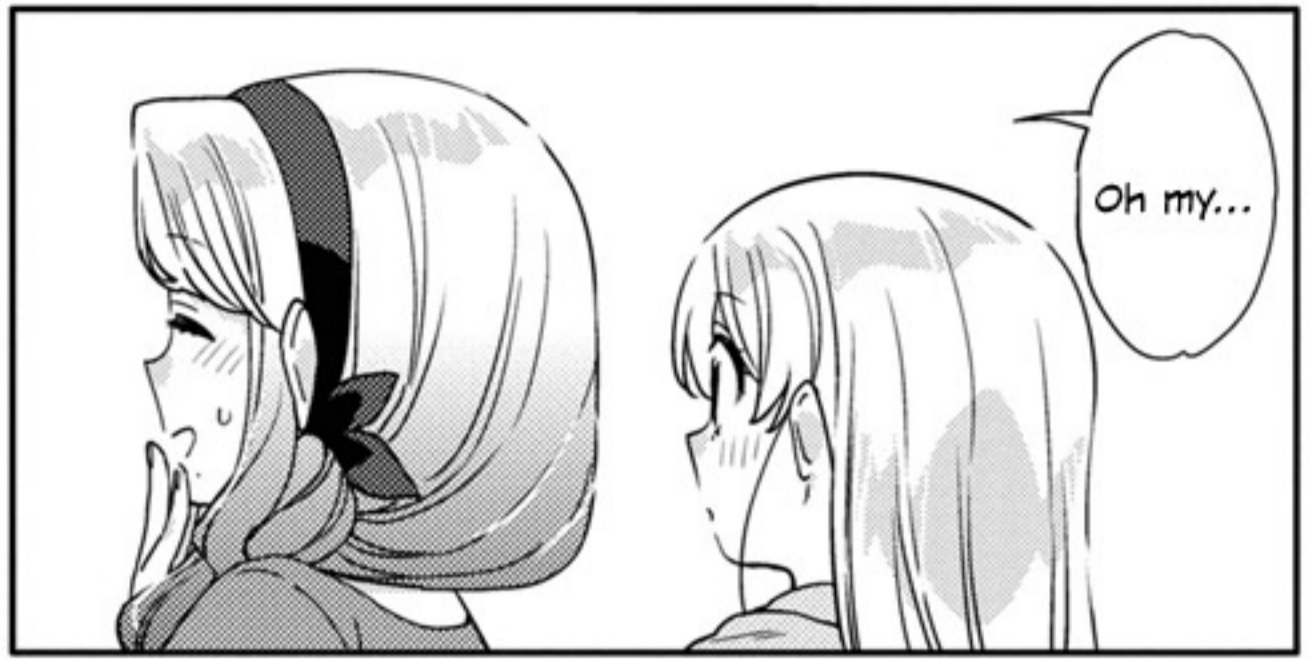

what Mai-chan is being so hesitant about.

I wonder

Onee-san.

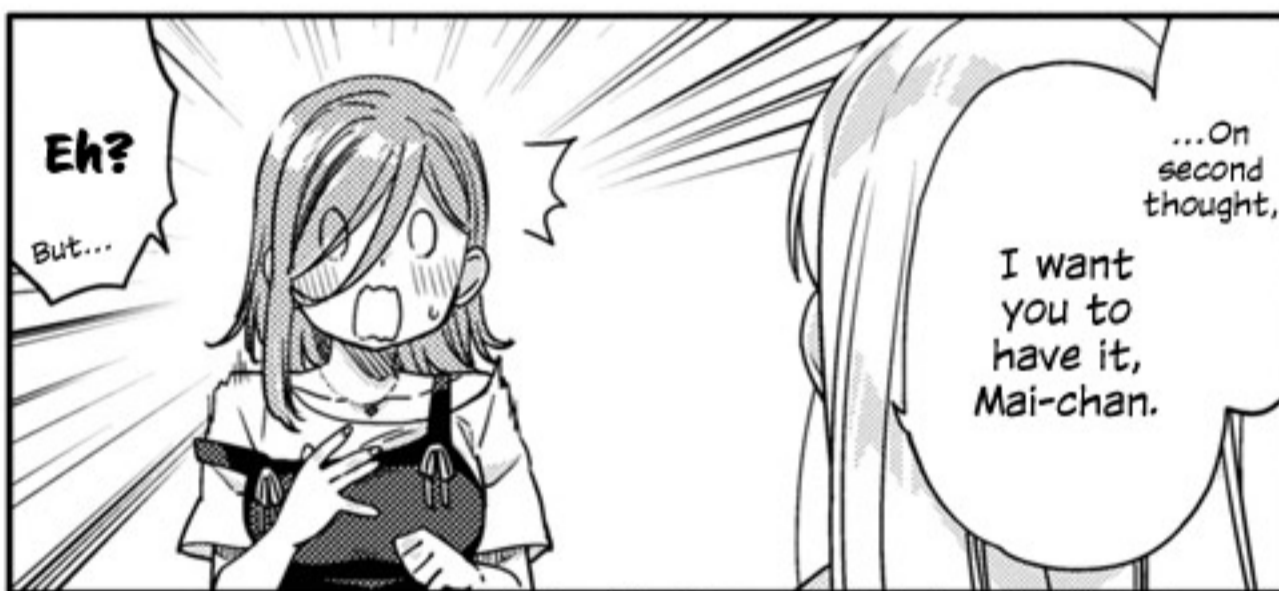

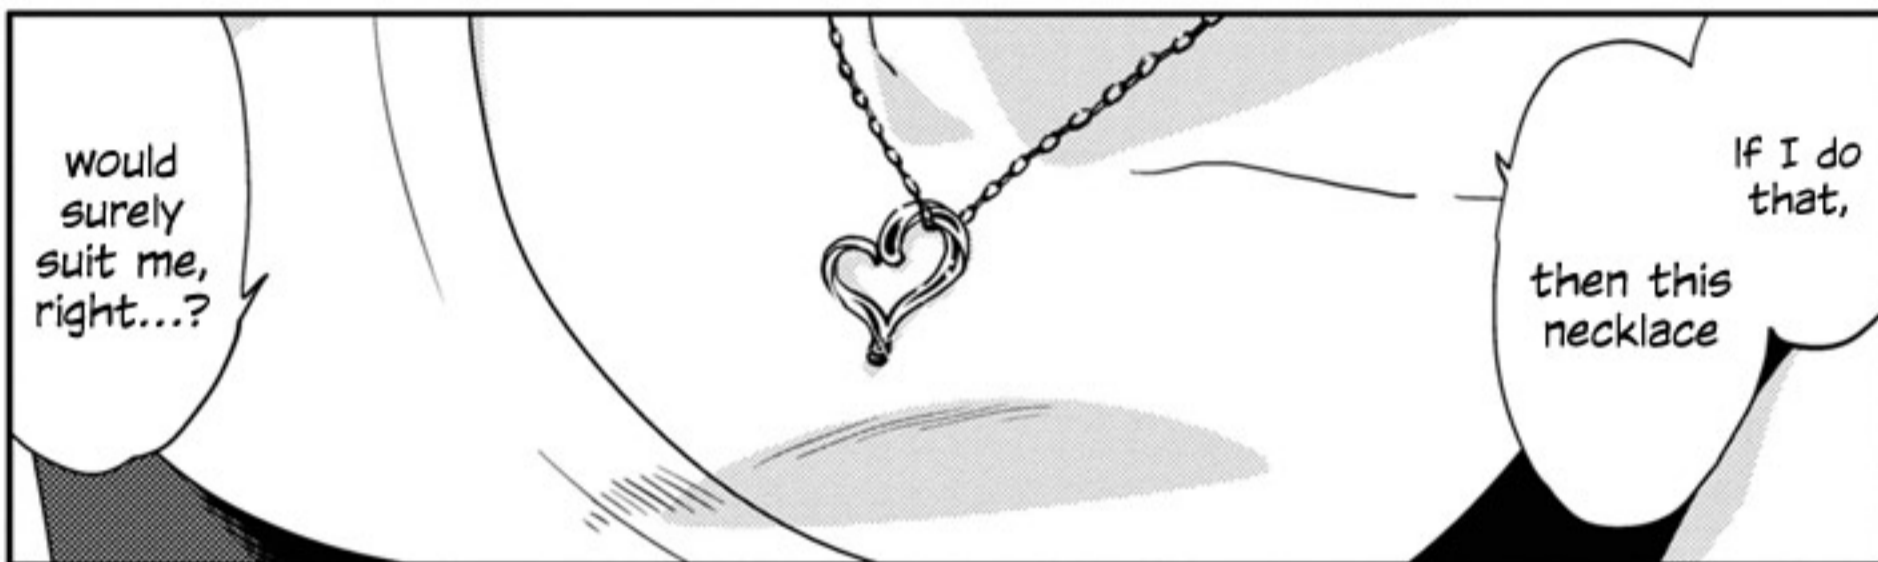

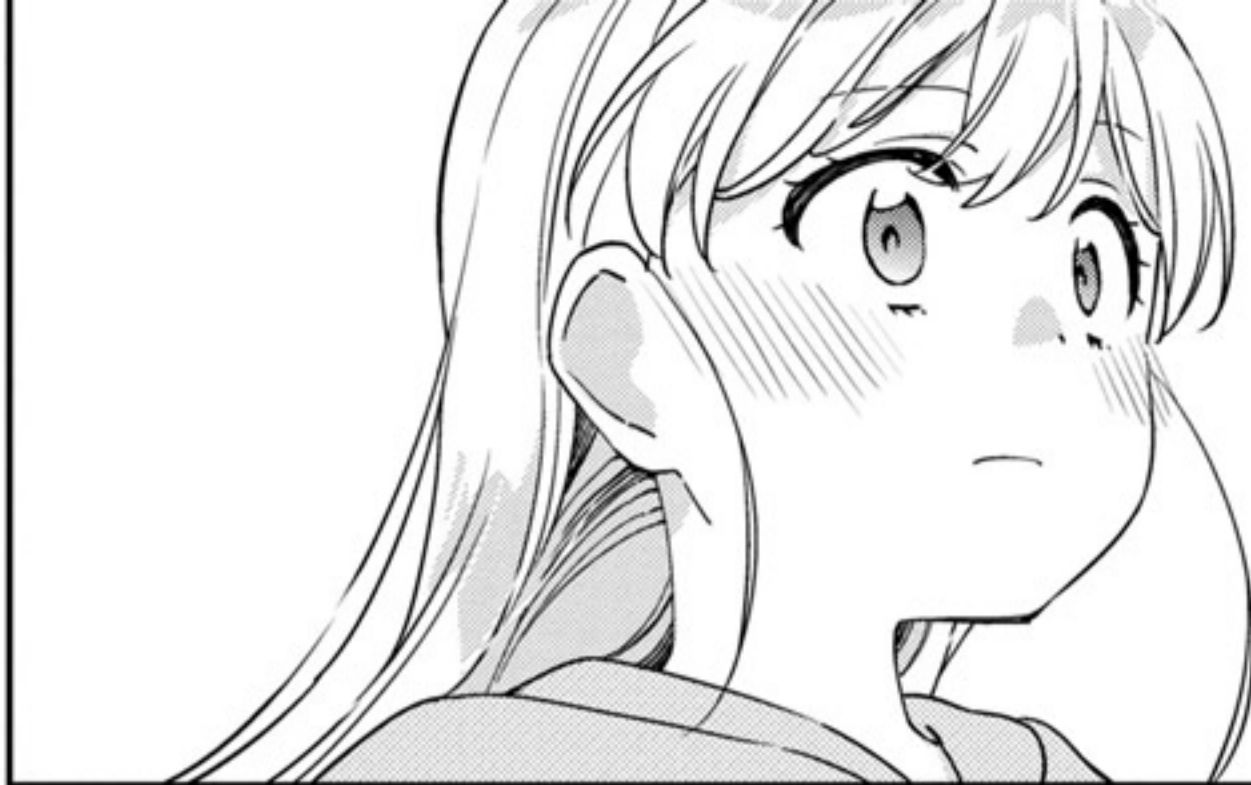

Oh my...

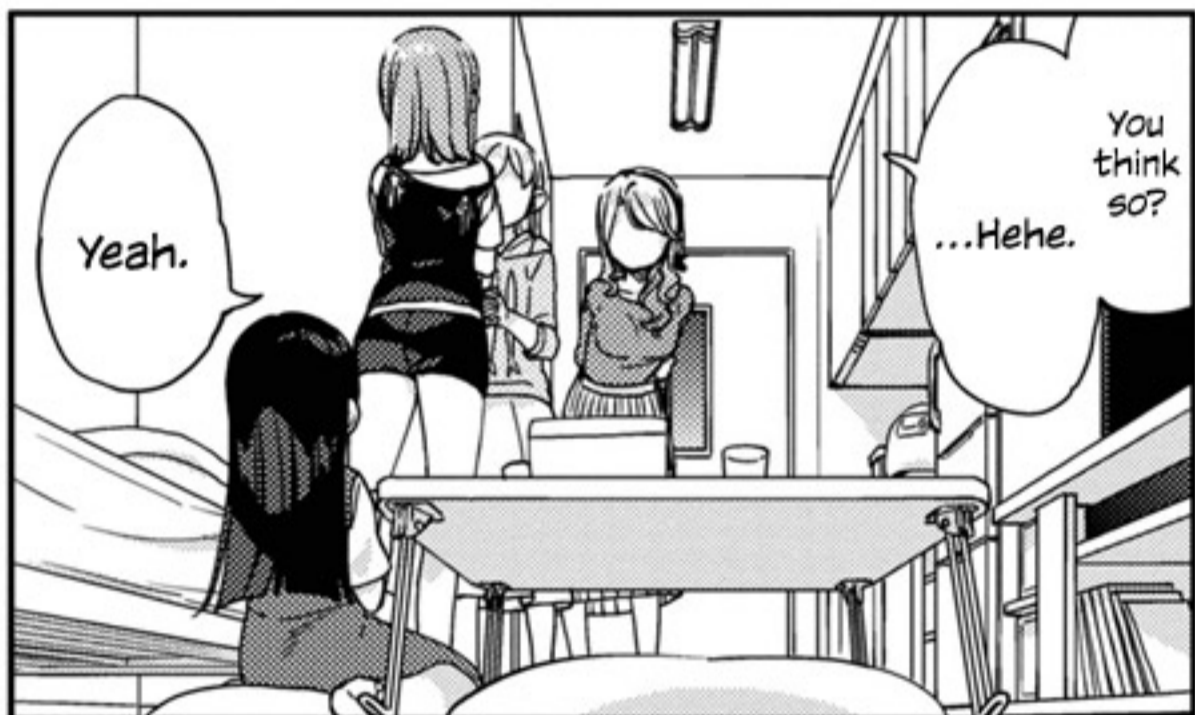

I really do

want to become an adult quickly.
