

Hah-
...

Once I
became a
working
adult,

the
days and
months
passed in
a blink of
an eye.

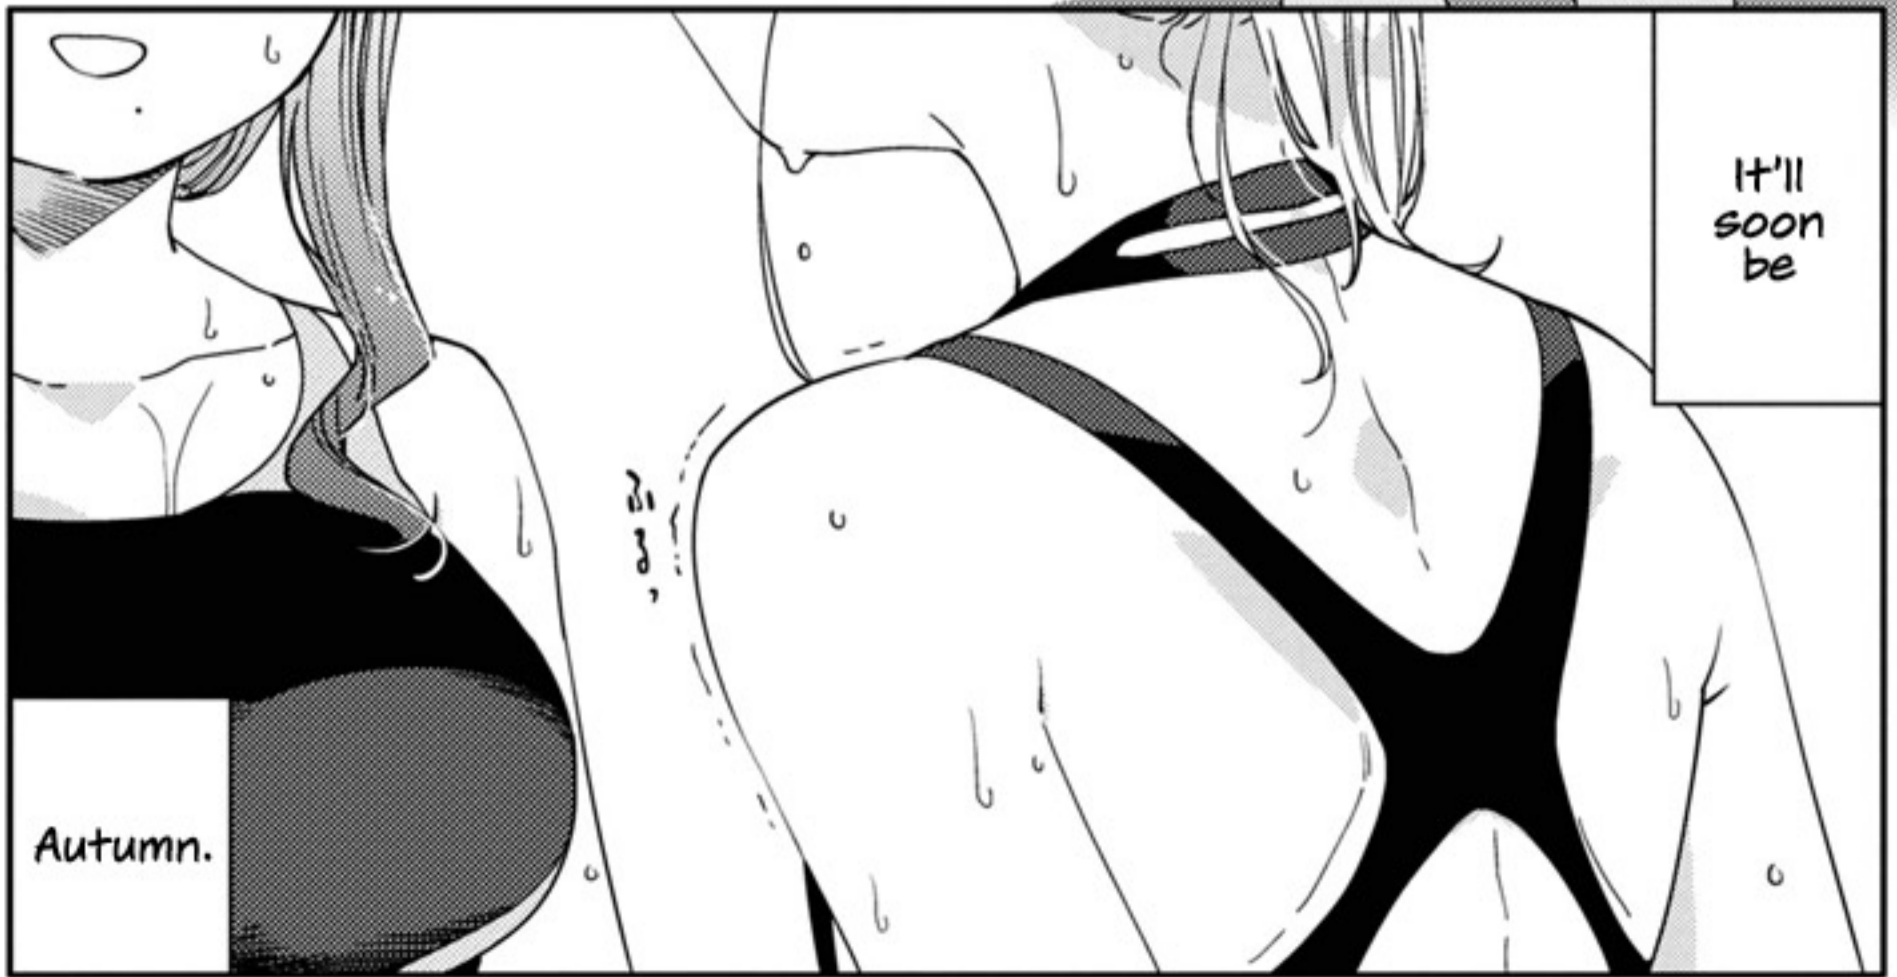

Are you
okay...?

Help me,
Tae-chan-

I miss
the days
when
going to
the pool

My legs
are all
wobbly and
I can't
get out
...

was my
greatest
joy.

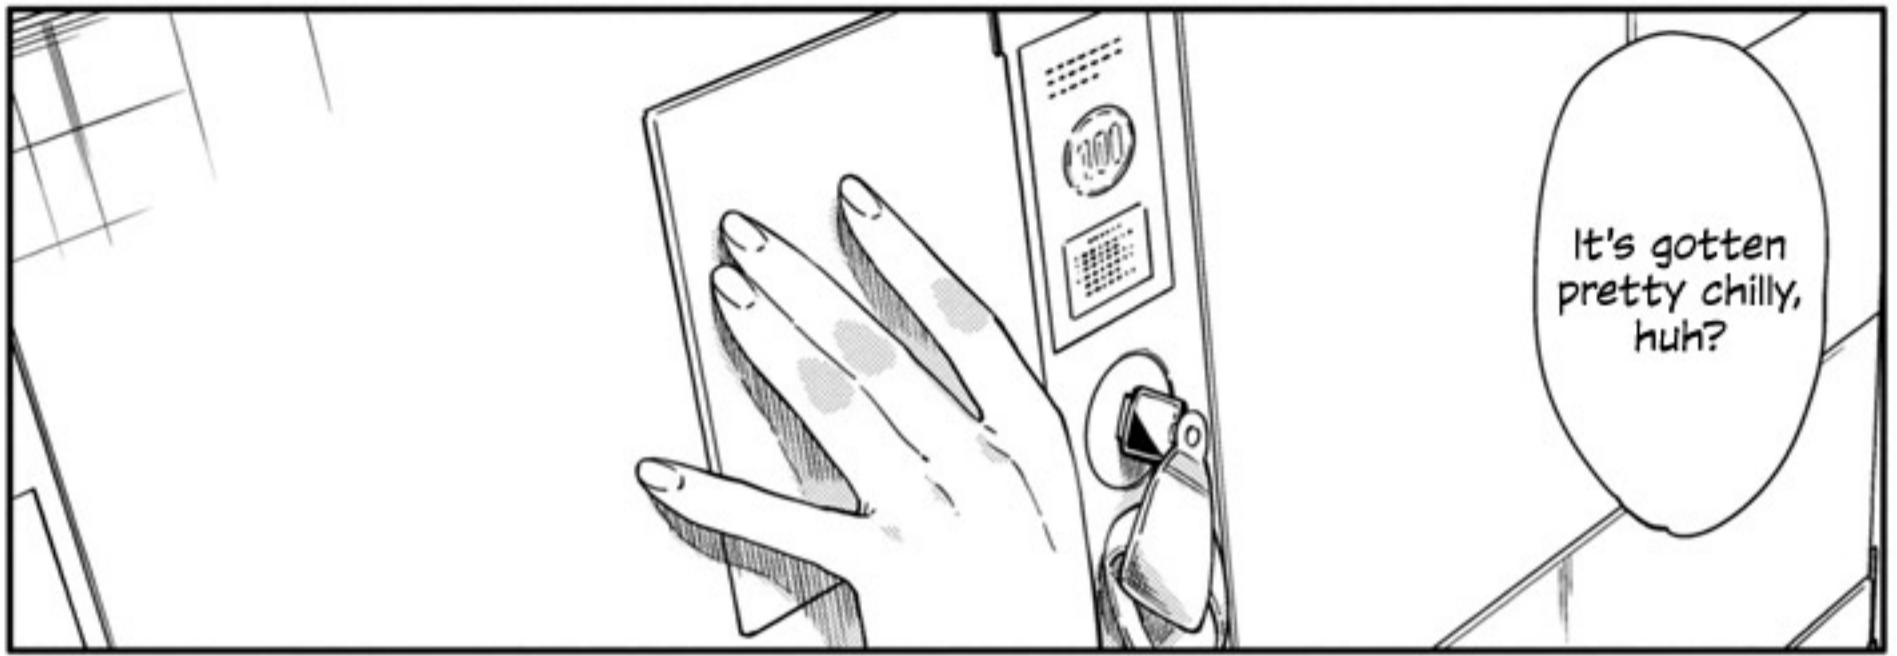

It'll
soon
be

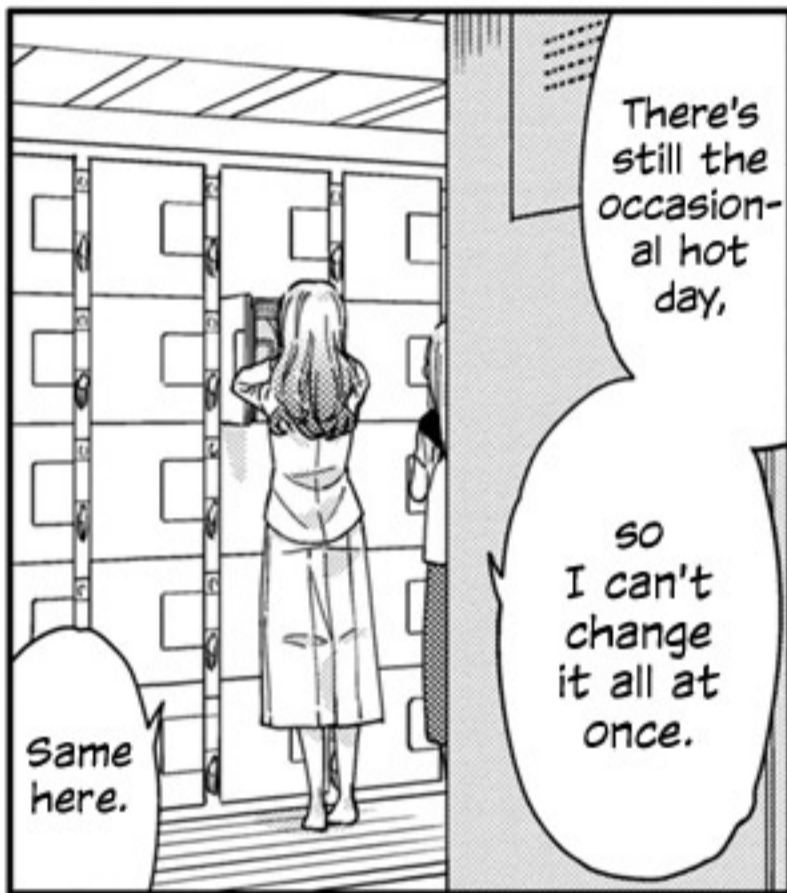

Autumn.

CHAPTER 11

It's gotten pretty chilly, huh?

There's still the occasional hot day,

so I can't change it all at once.

Same here.

Yeah.

Are you already switching to Autumn wear, Tae-chan?

A little at a time...

But it's getting harder to wear short sleeves.

I can still wear them around home and the office, but...

Those really do a number on your body...

Those stores have powerful air conditioning, huh-

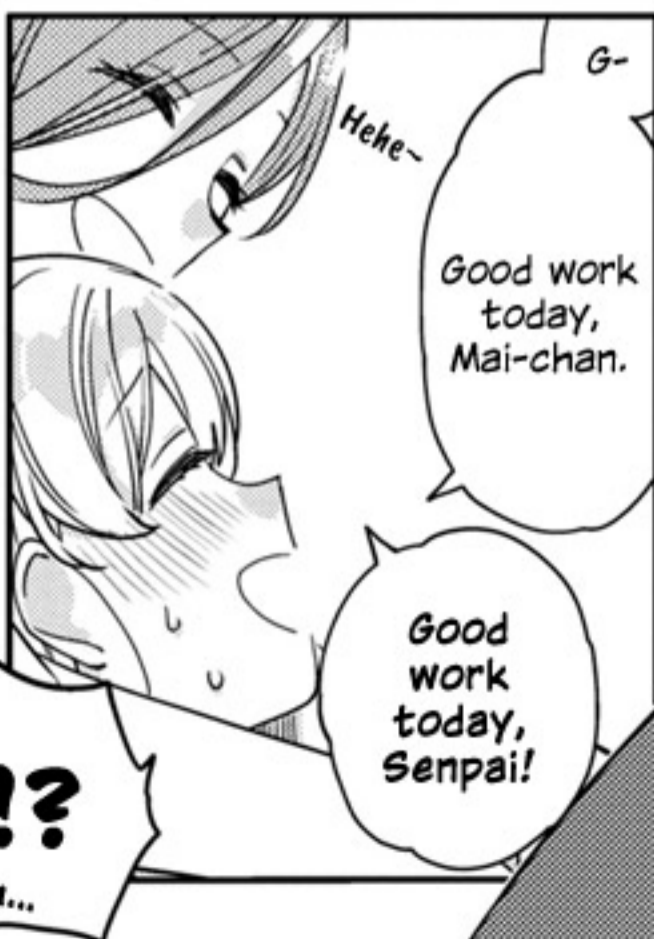

I get cold from the air conditioning whenever I go shopping.

Whatcha talking about?

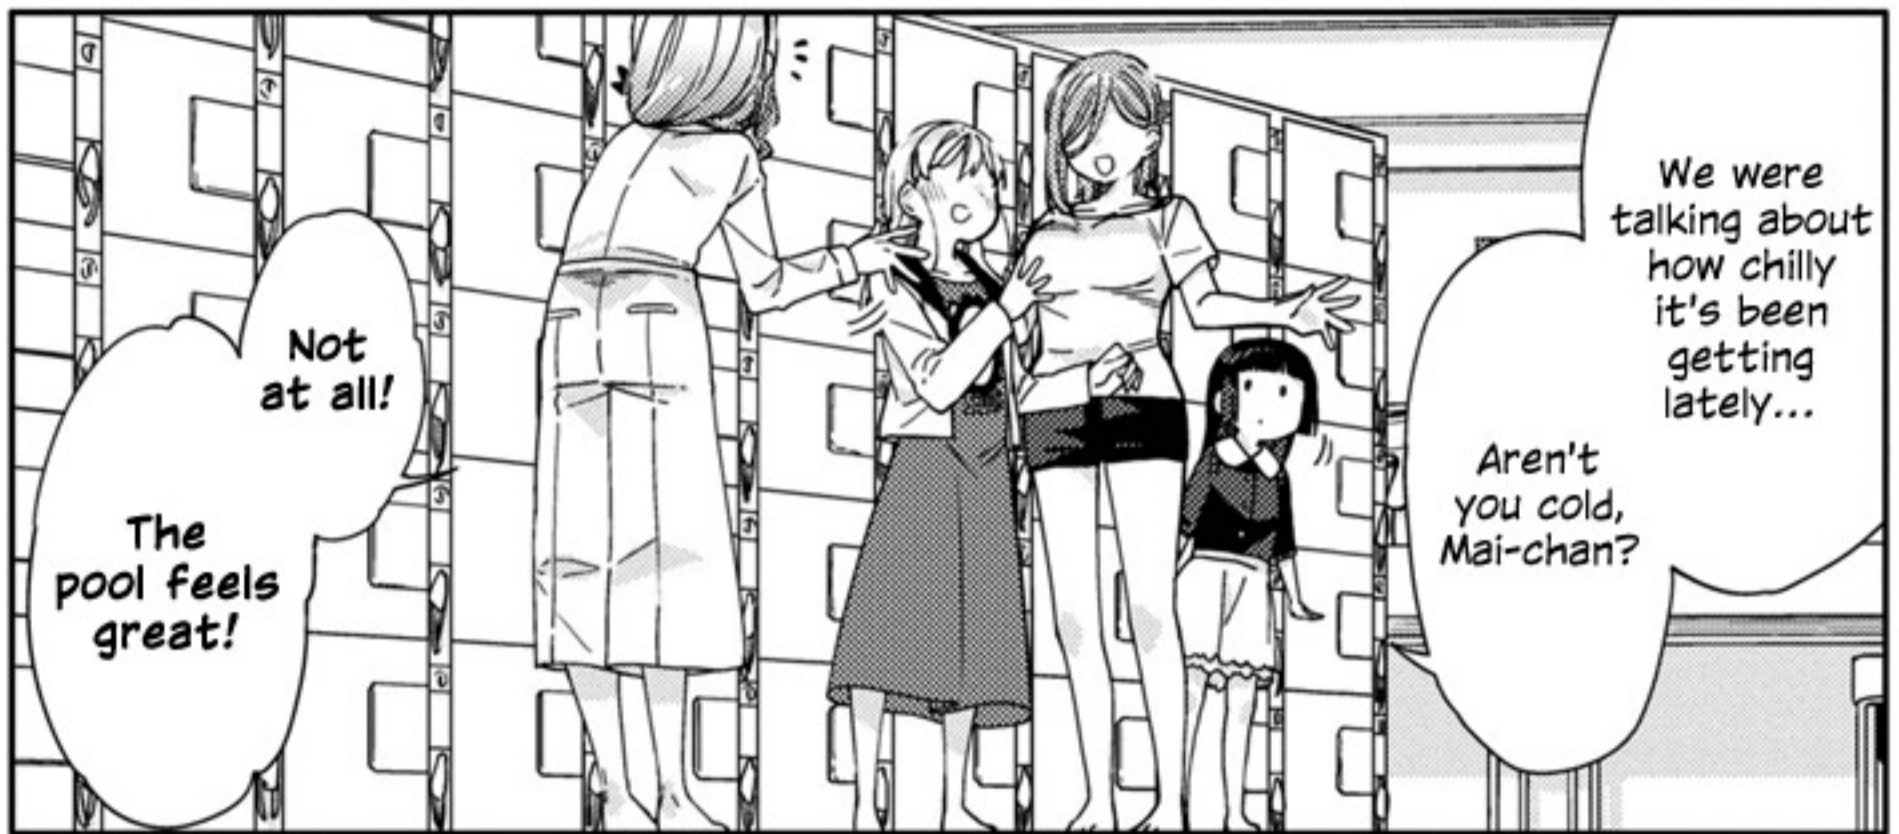

Boo!

Good work today, Mai-chan.

Good work today, Senpai!

!?
Sen...

The pool feels great!

Not at all!

Aren't you cold, Mai-chan?

We were talking about how chilly it's been getting lately...

It's still hot,

so I wanted to stay in there a little longer!

She's so lively...

Ahaha ...

Just now, the teacher yelled at me, saying "quit screwing around and get out now!!".

Right, Azuma-san?

Our bodies cooled down after we got out of the pool...

Really?

You seem warm, Onee-san.

ん い

!?

BODY HEAT METER

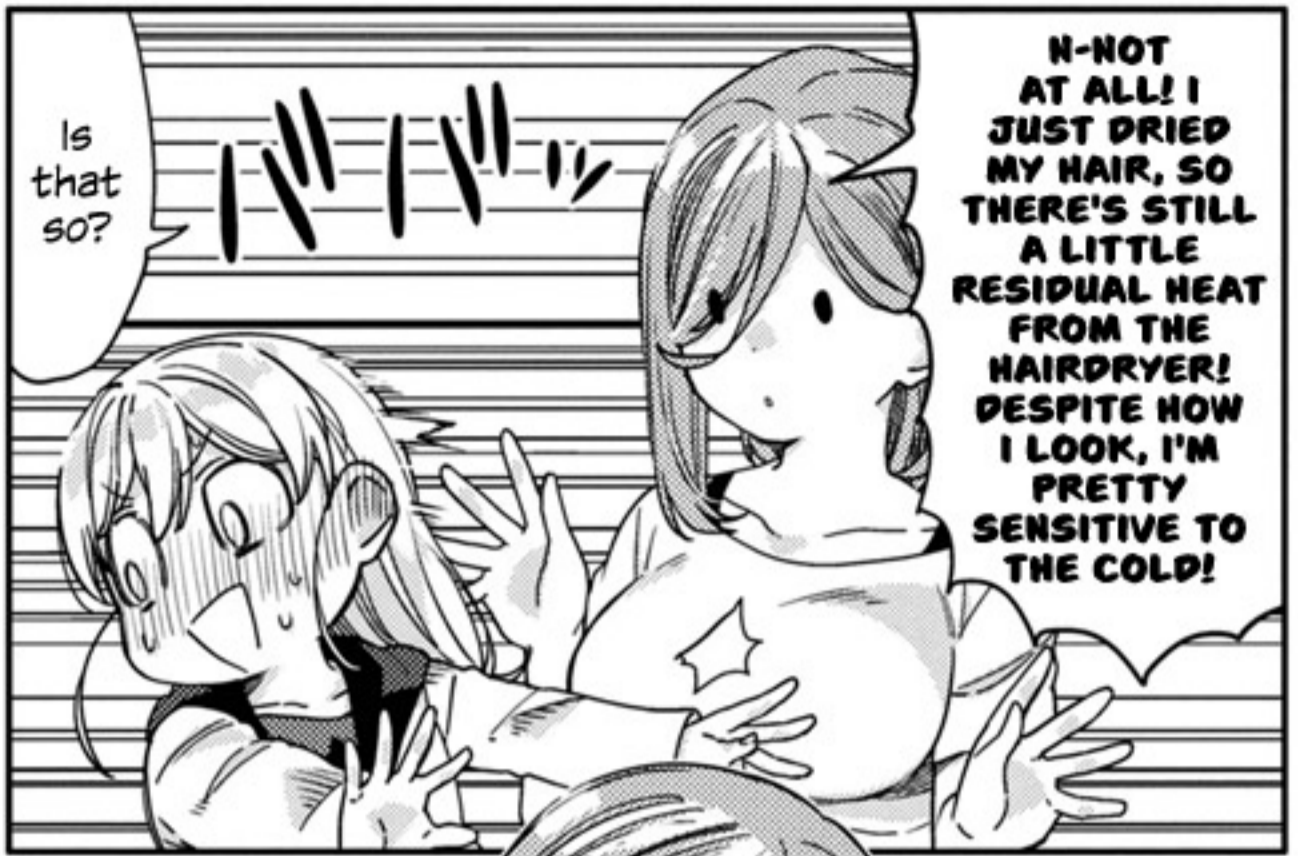

.....

You're like a hand warmer.

You certainly are a grade schooler, huh, Mai-chan.

Is that so?

N-NOT AT ALL! I JUST DRIED MY HAIR, SO THERE'S STILL A LITTLE RESIDUAL HEAT FROM THE HAIRDRYER! DESPITE HOW I LOOK, I'M PRETTY SENSITIVE TO THE COLD!

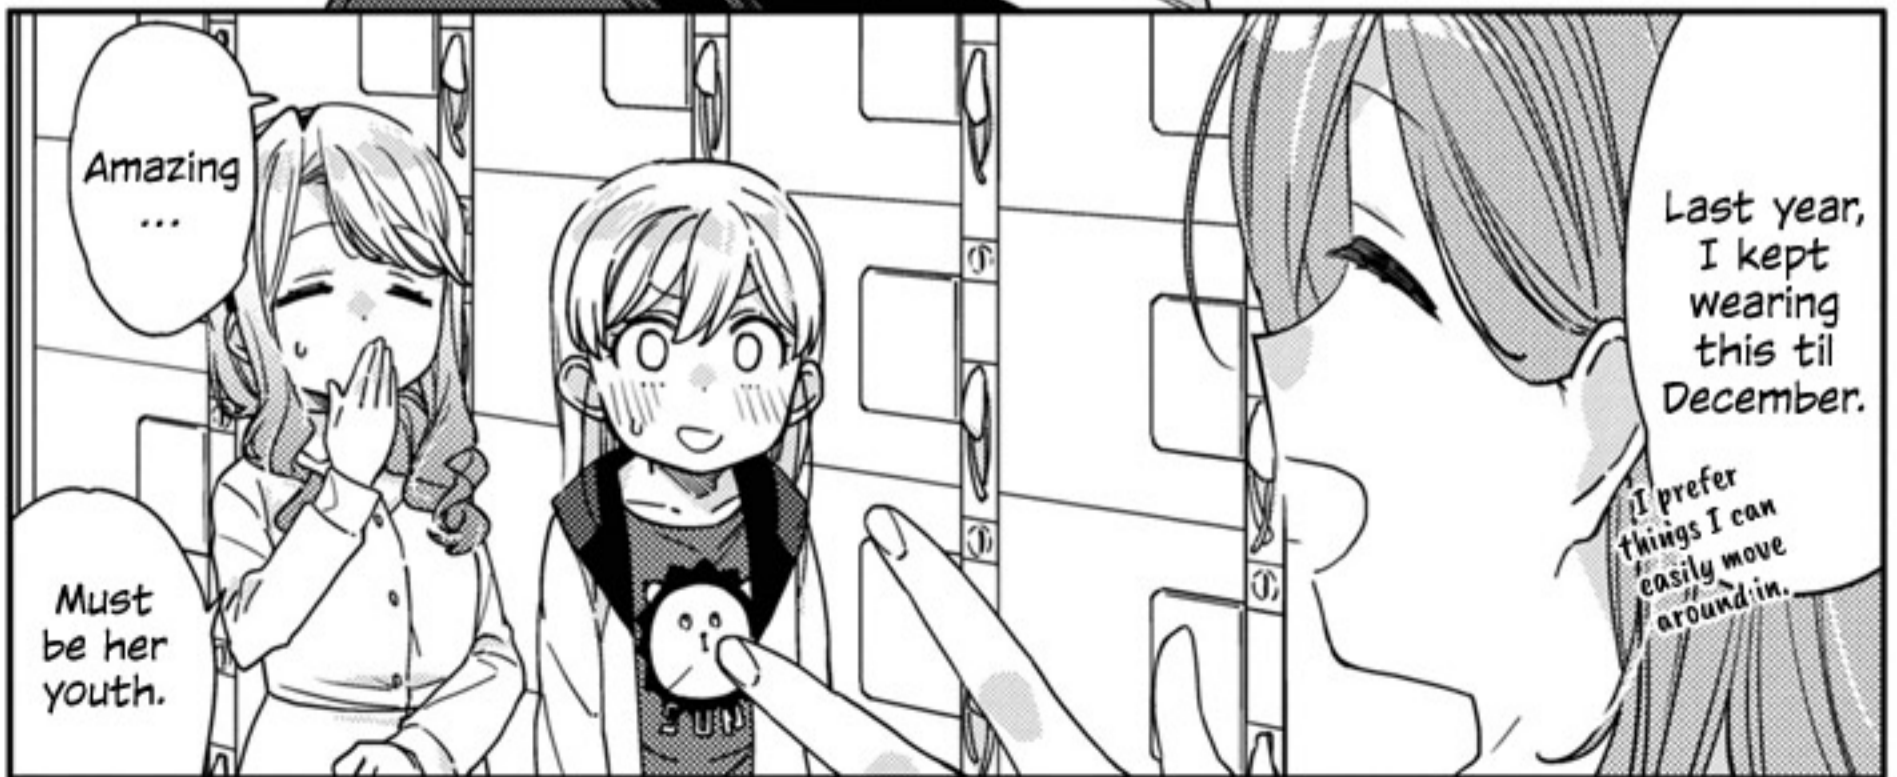

You're still in summer clothing.

Yep!

I'm still good to go!

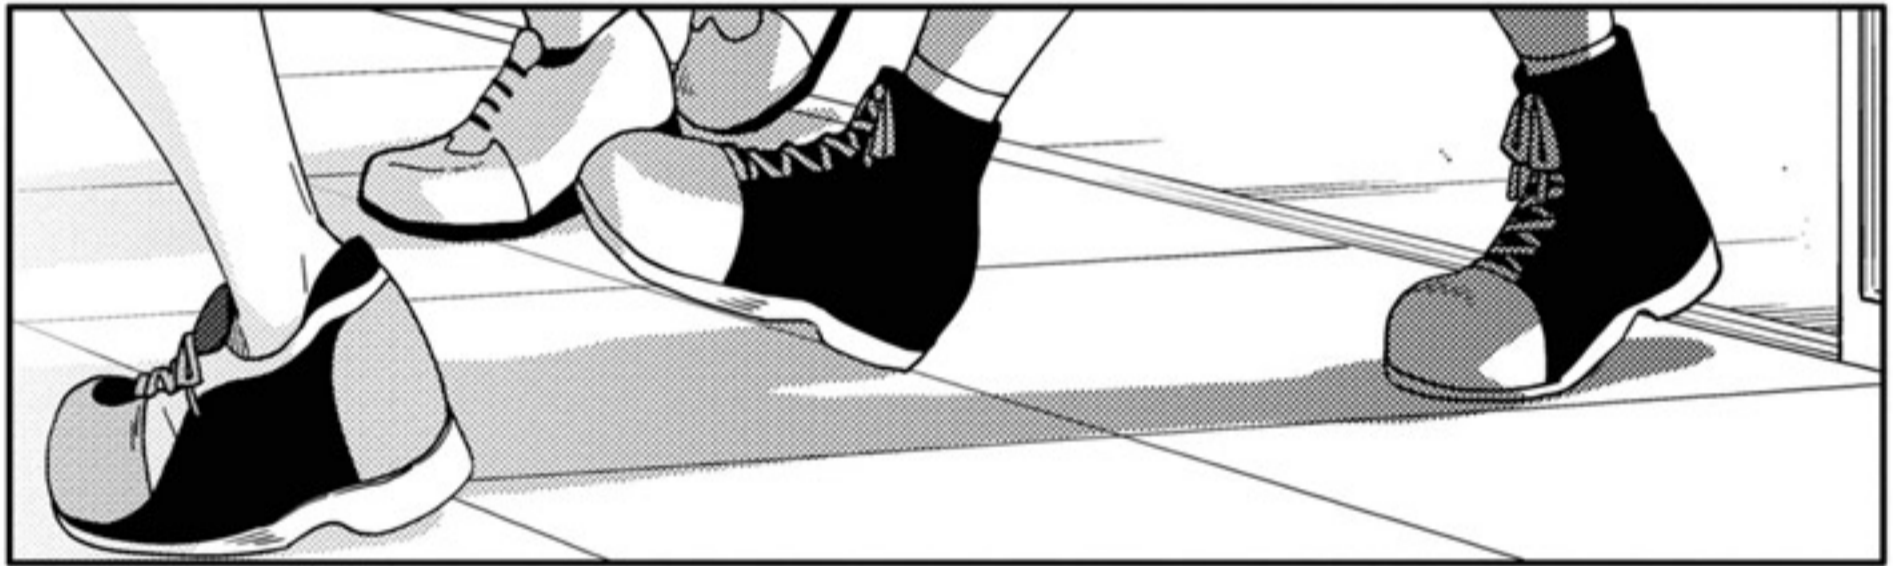

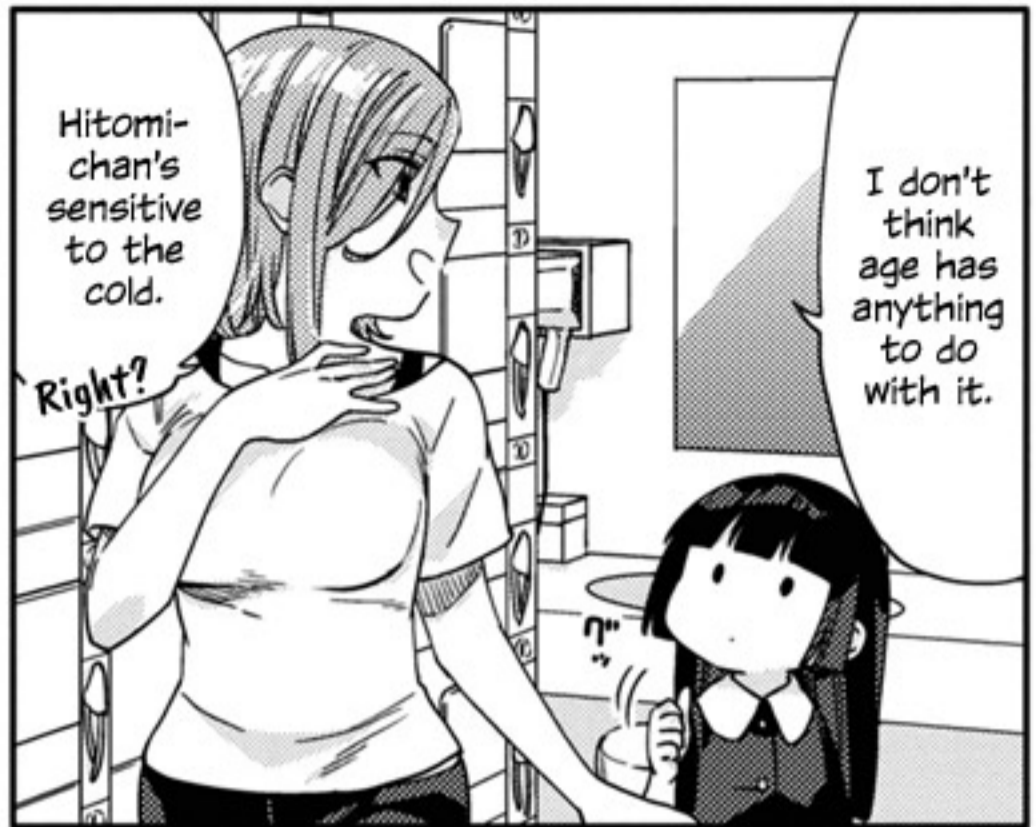

Amazing ...

Must be her youth.

Last year, I kept wearing this til December.

I prefer things I can easily move around in.

Moving around warms me up,

and I can't let that annual pass go to waste, can I!?

Onee-san,

you're gonna stop coming to the pool?

I'LL GO!

OF COURSE I'LL GO!

...I want to

see Mai-chan.

I can't exactly say that it's because

Then I'll be just fine!

Thank goodness!

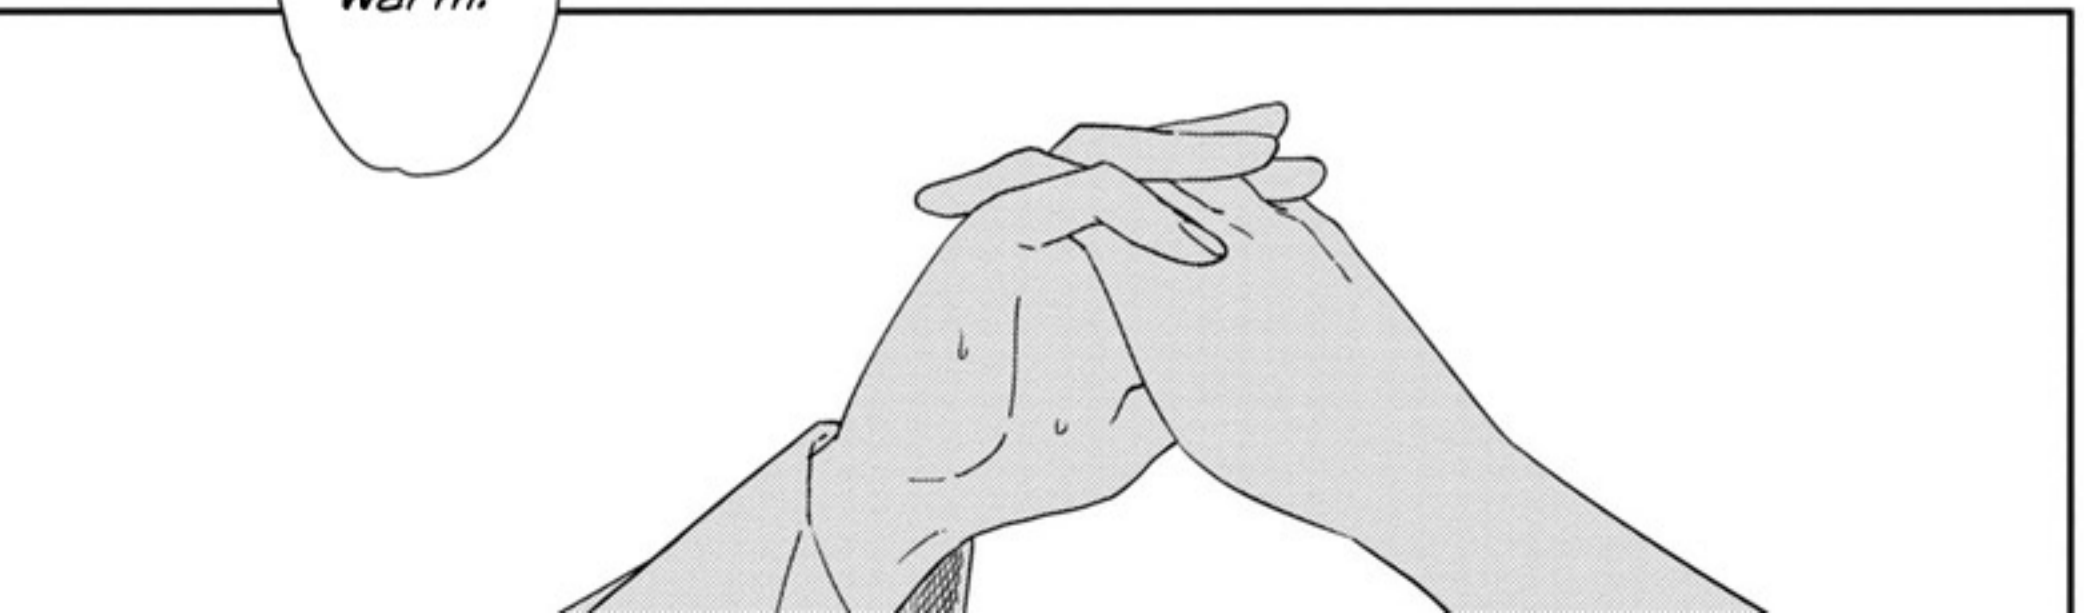

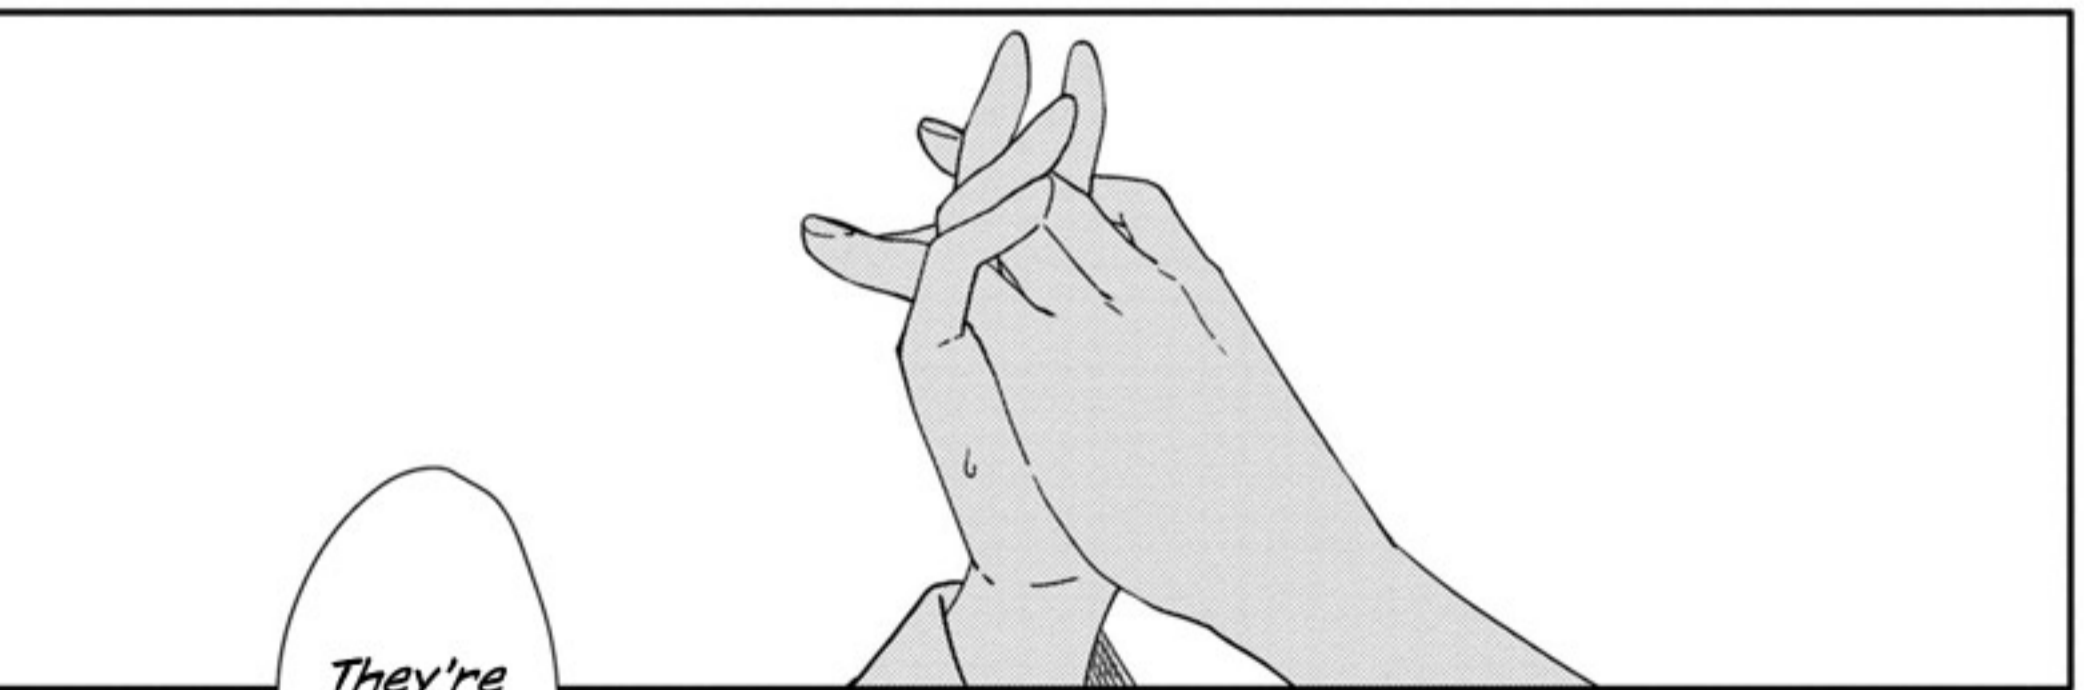

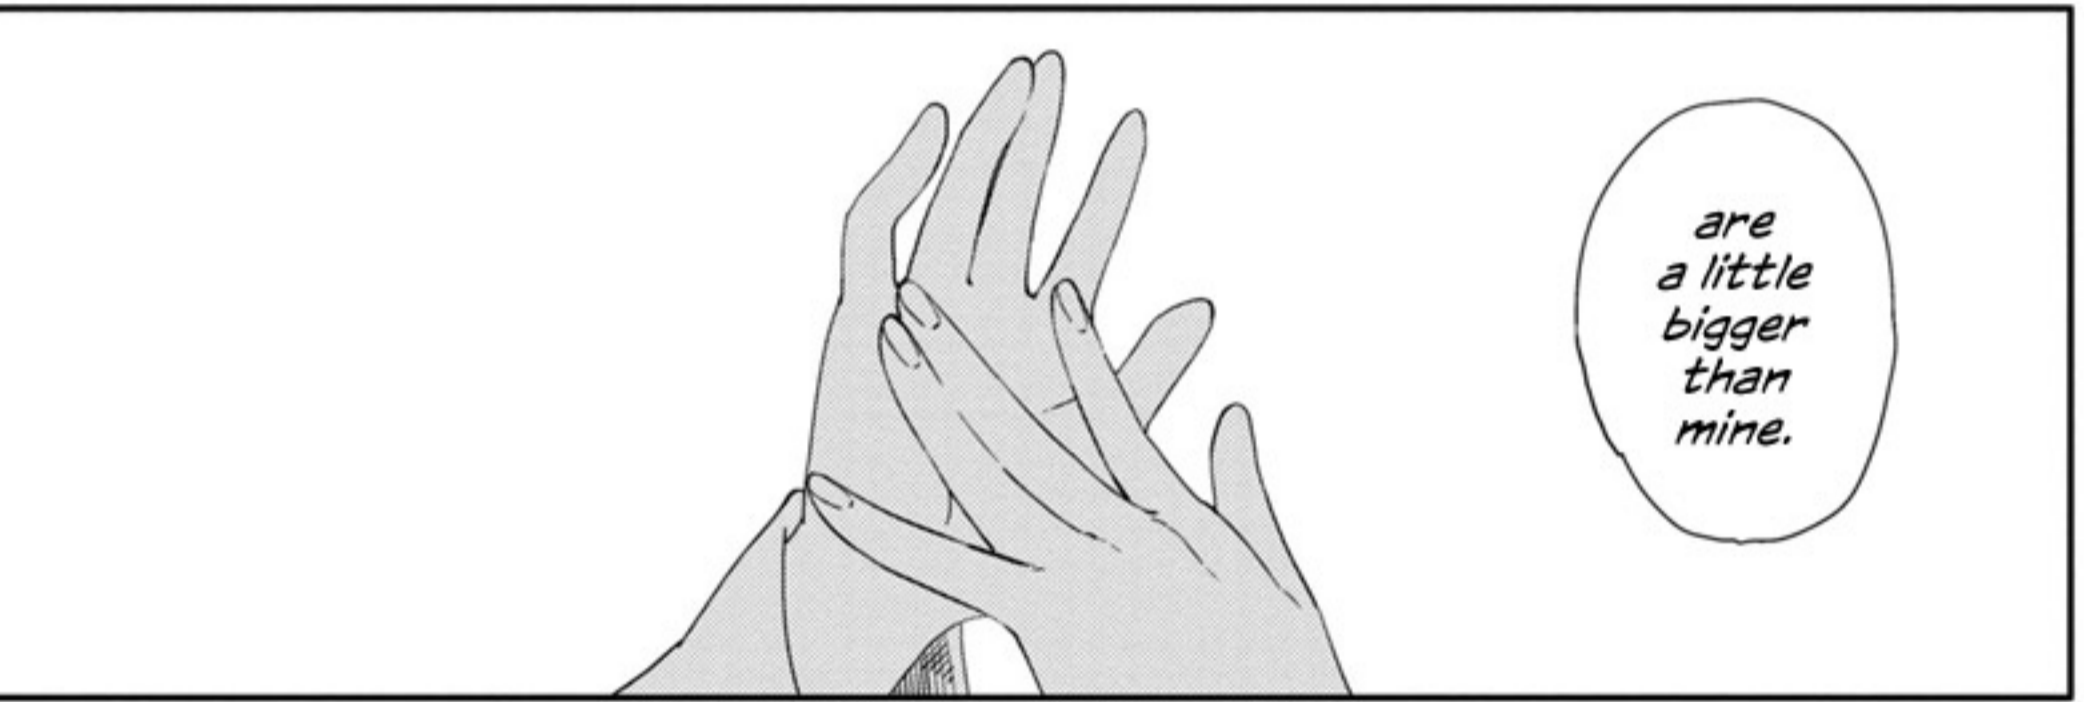

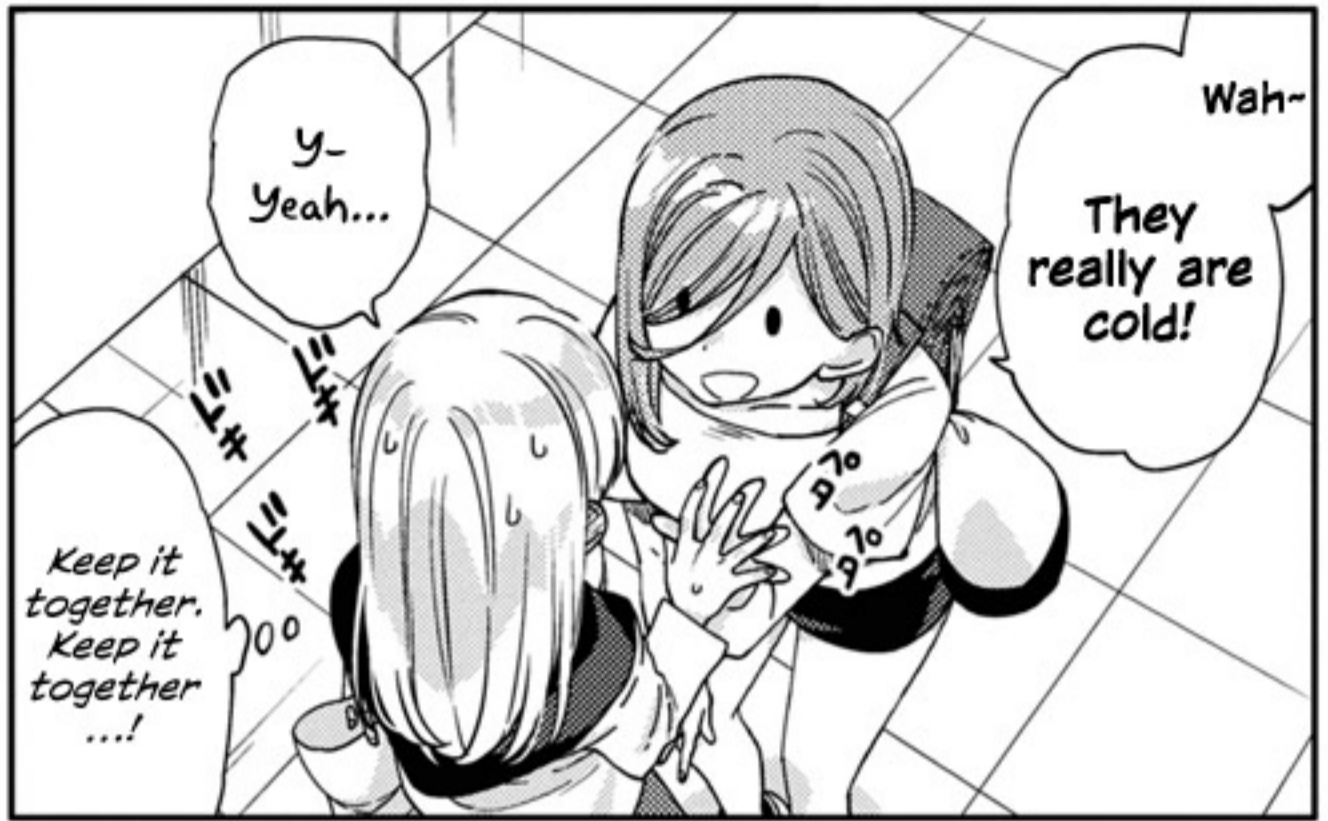

Ah, but,

Is that so?

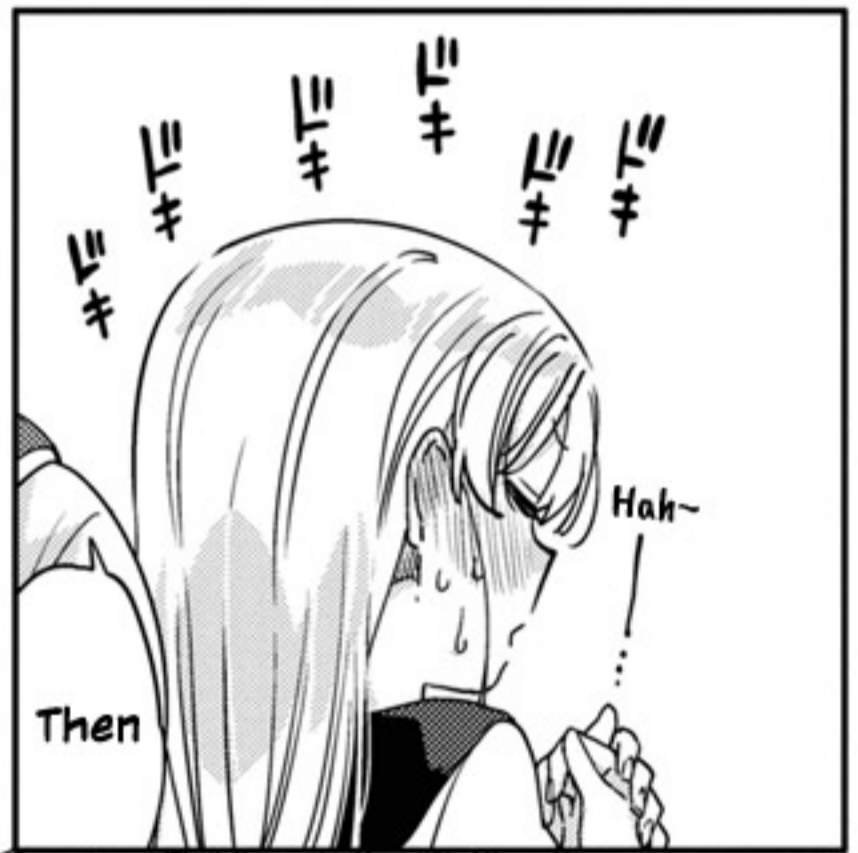

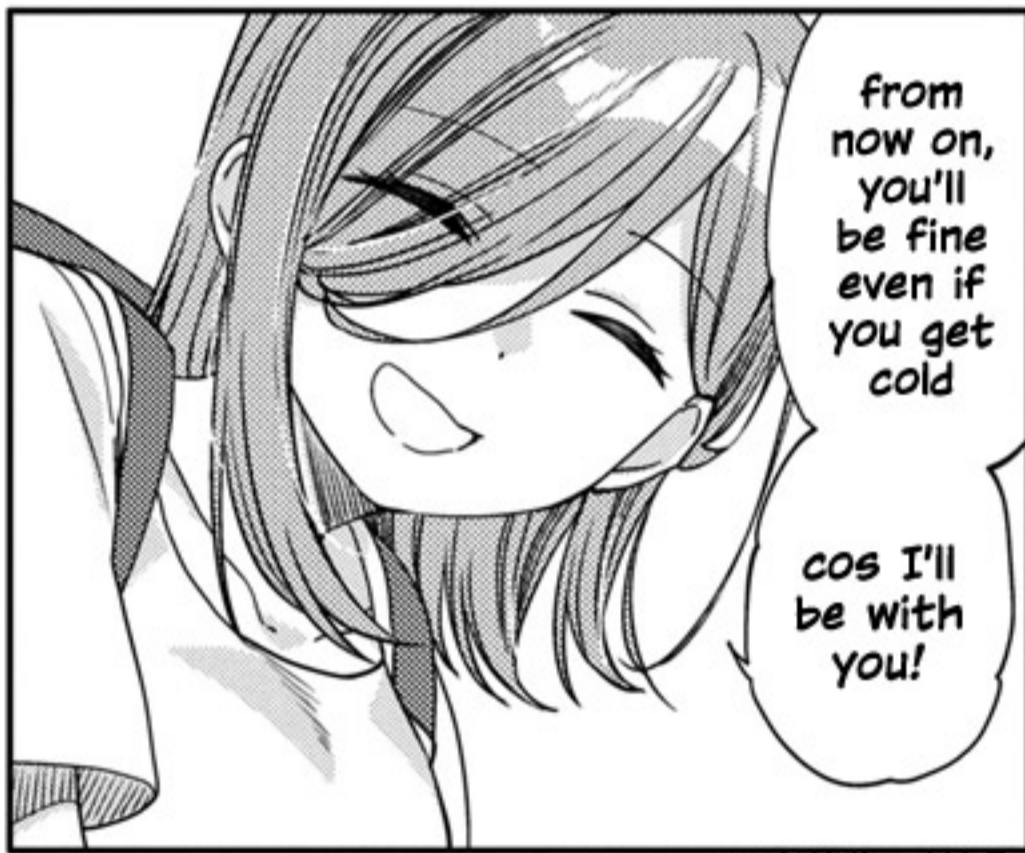

I believe this becomes a heated pool when it gets cold. That's cold. That's what it said on the website.
