I'm sleepy.

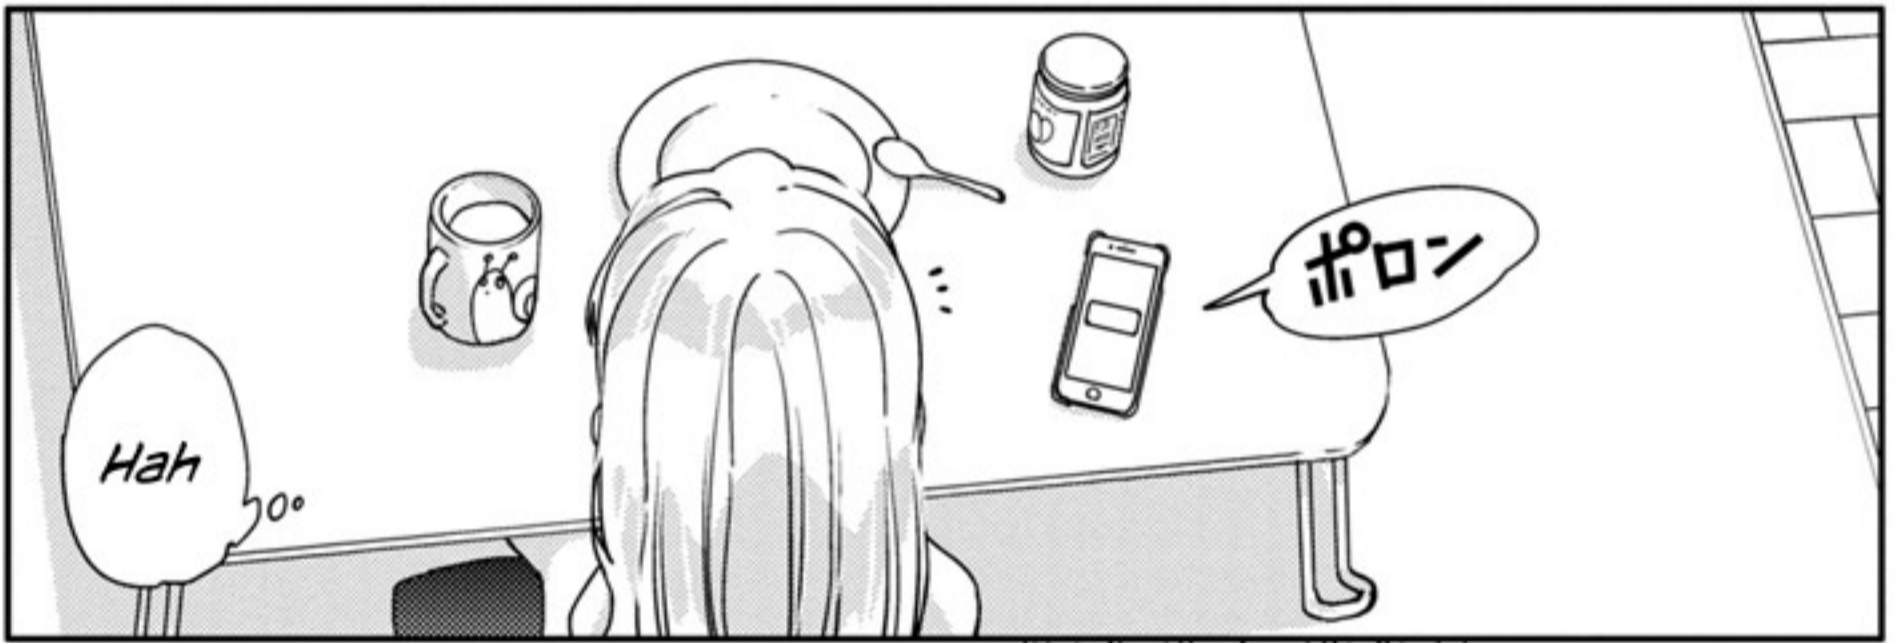

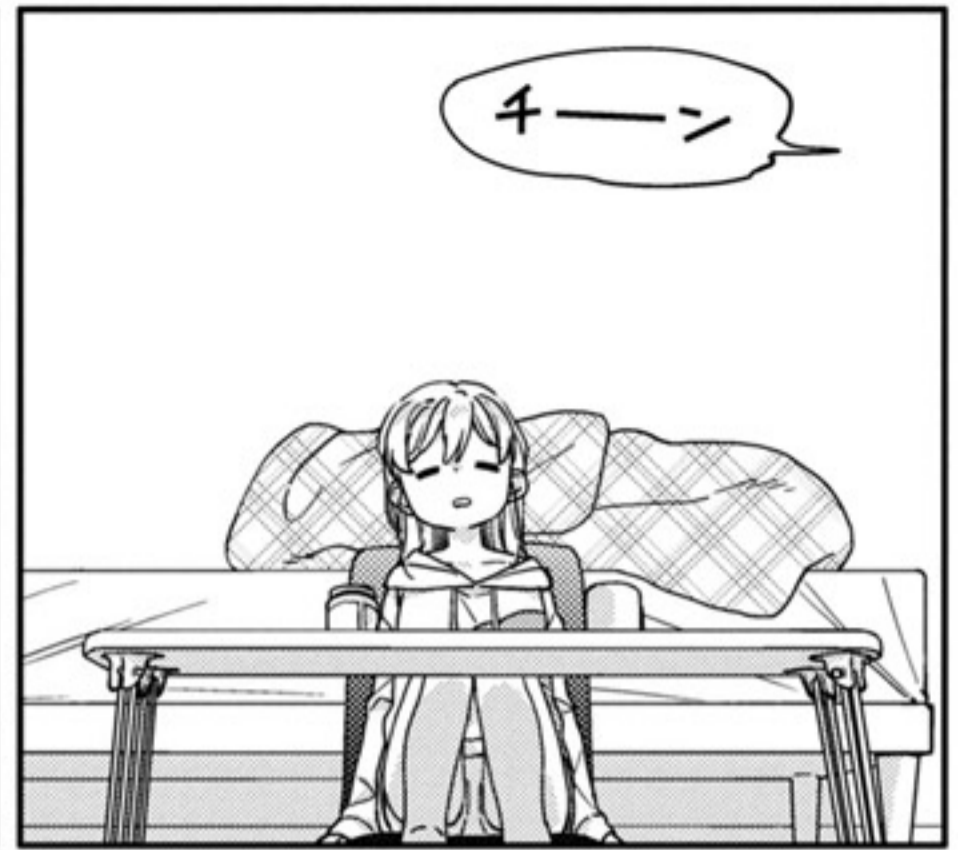

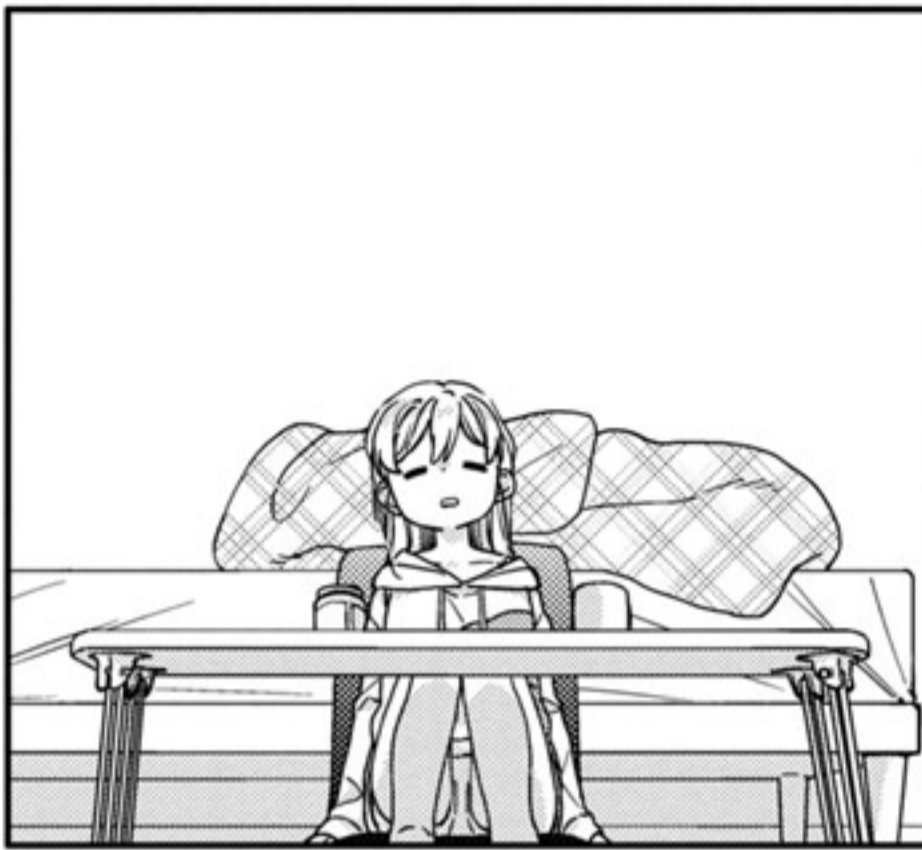

If I can just get through today...

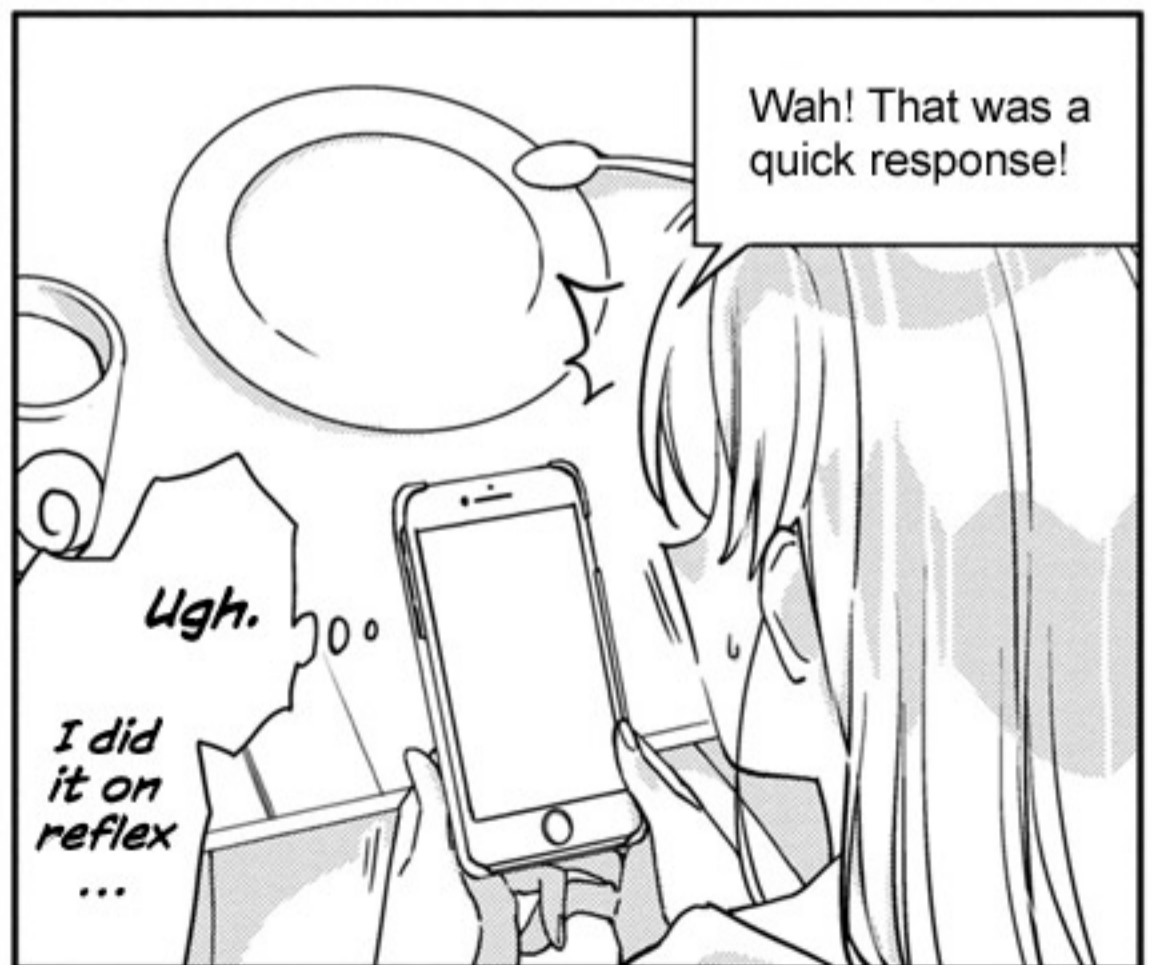

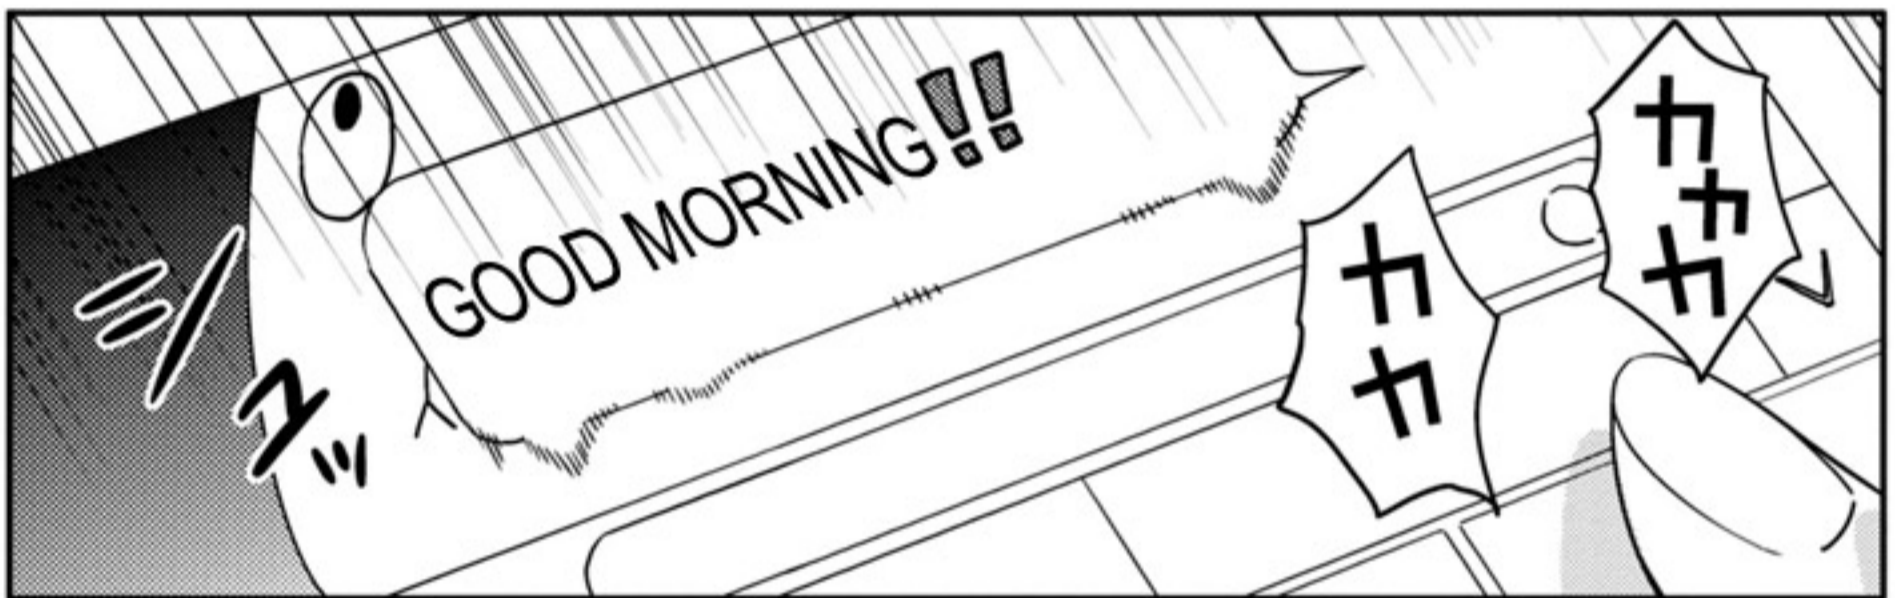

But today's a Friday.

ズズ...

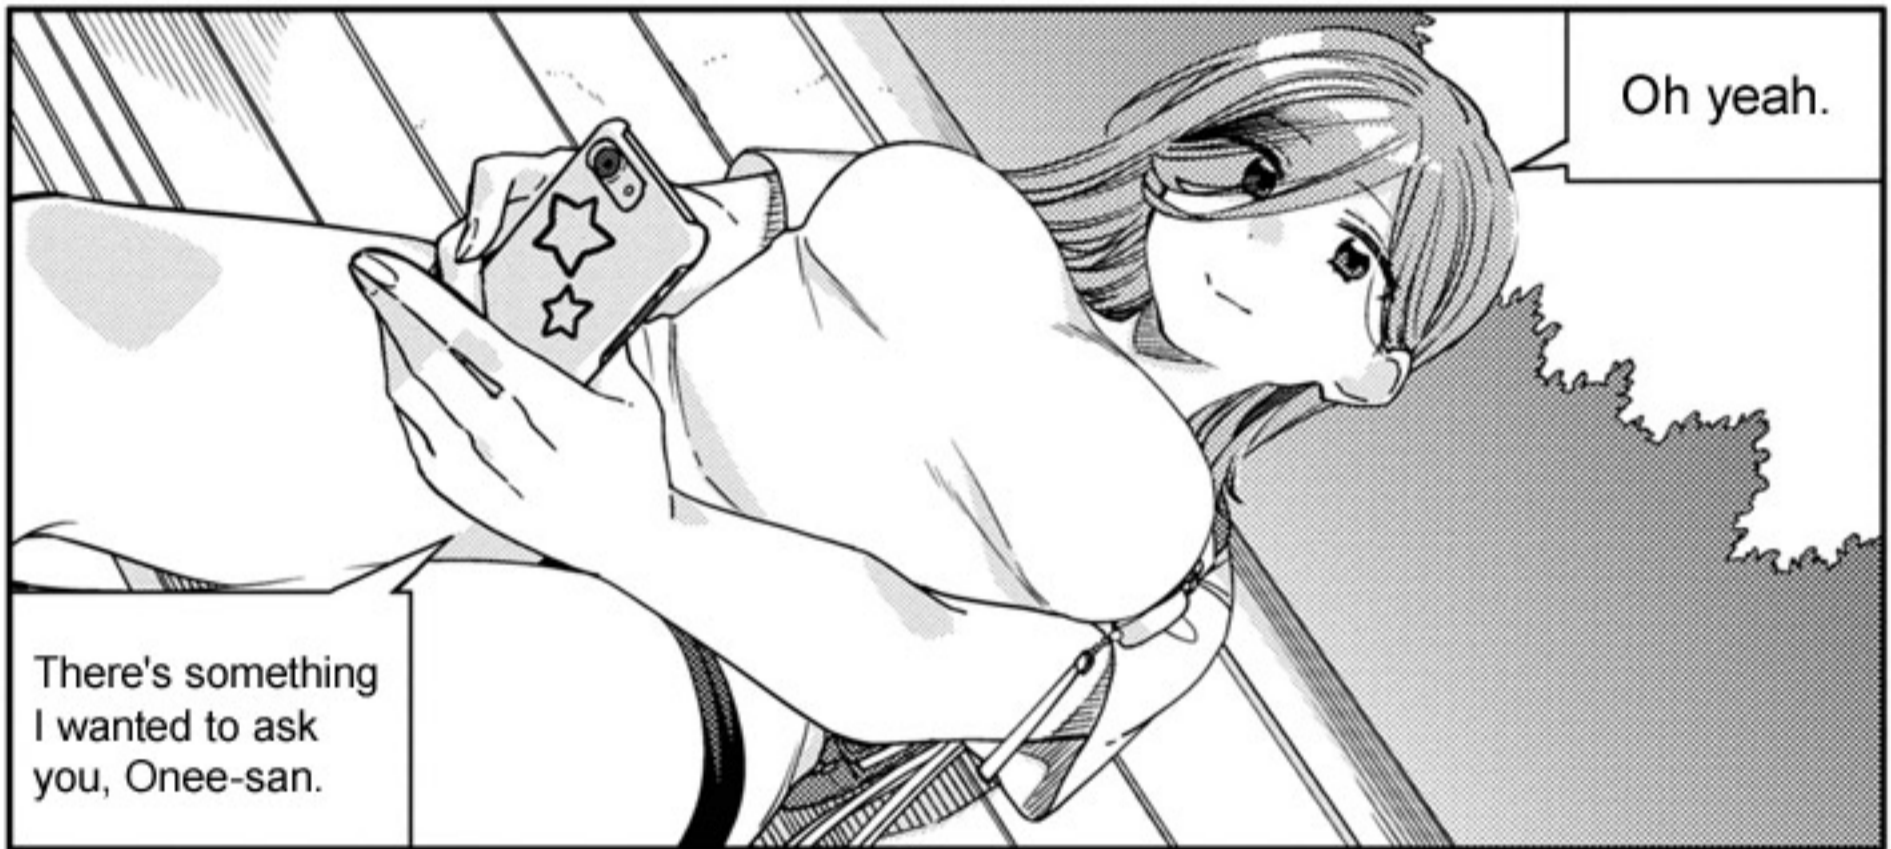

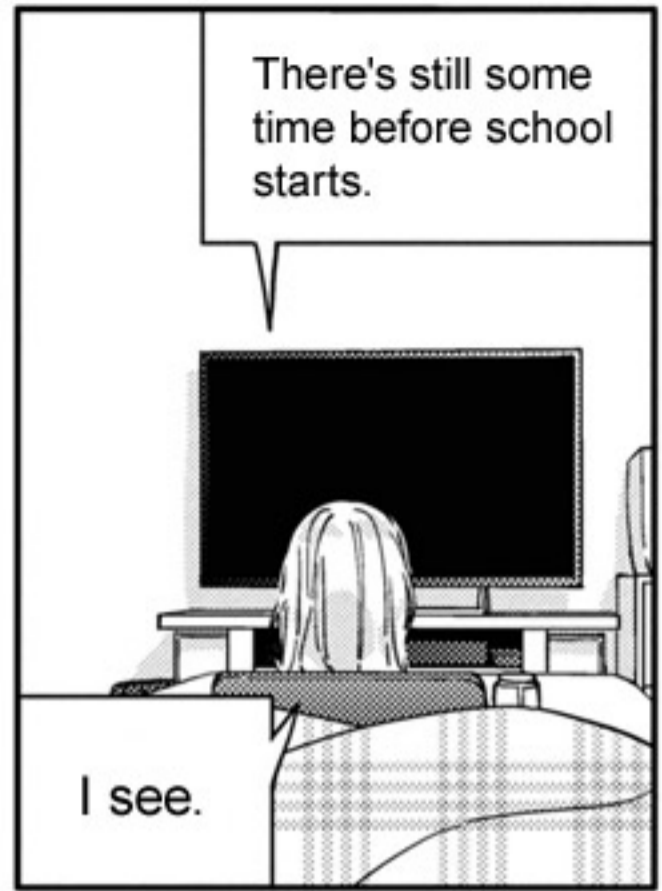

Are you still at home too, Mai-chan? It's rare to get a text from you so early in the morning??

Fwah

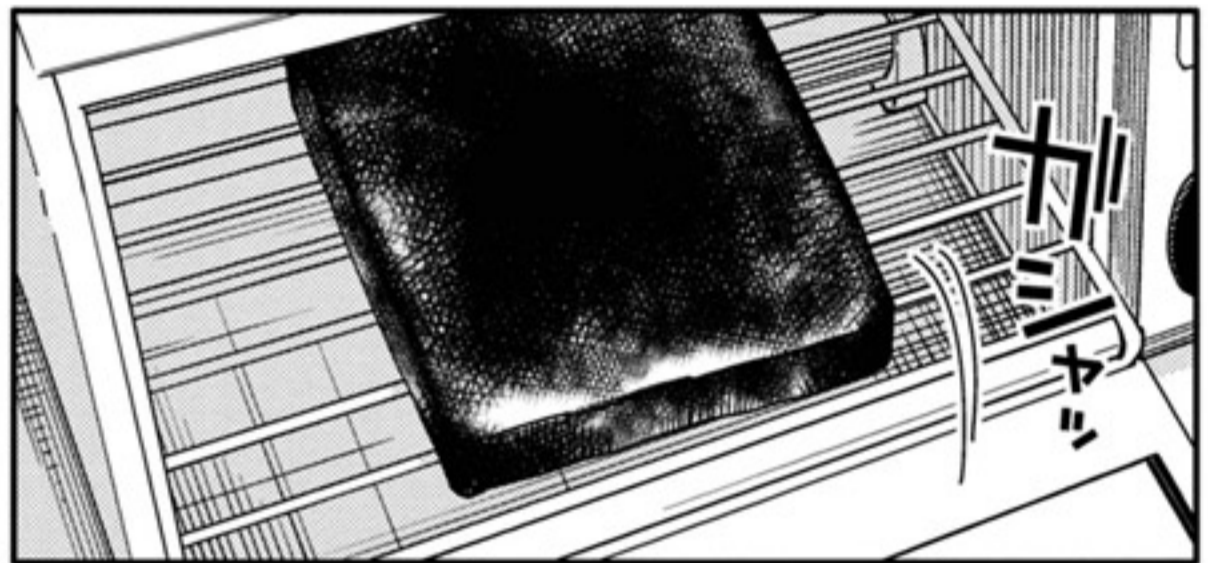

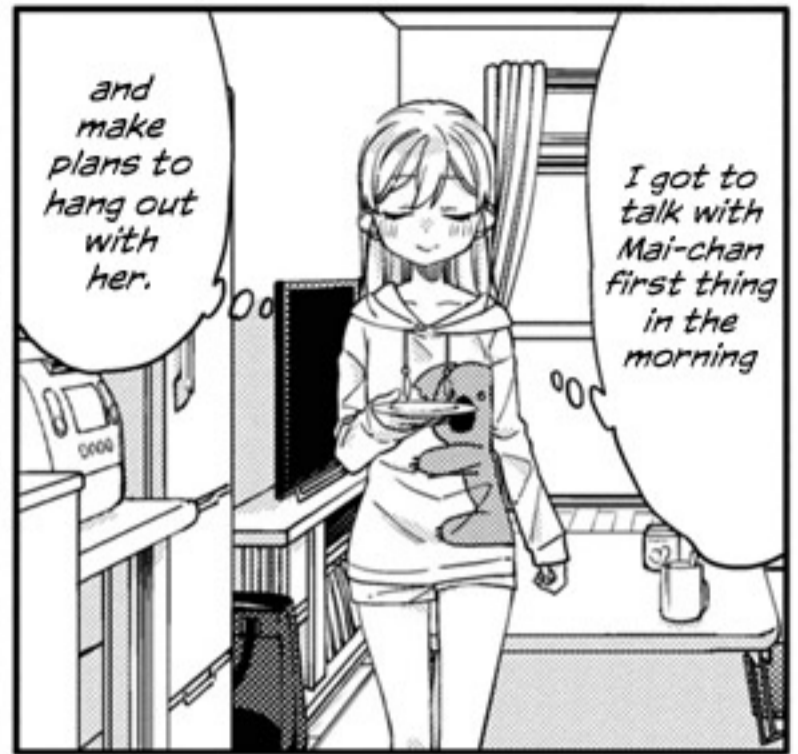

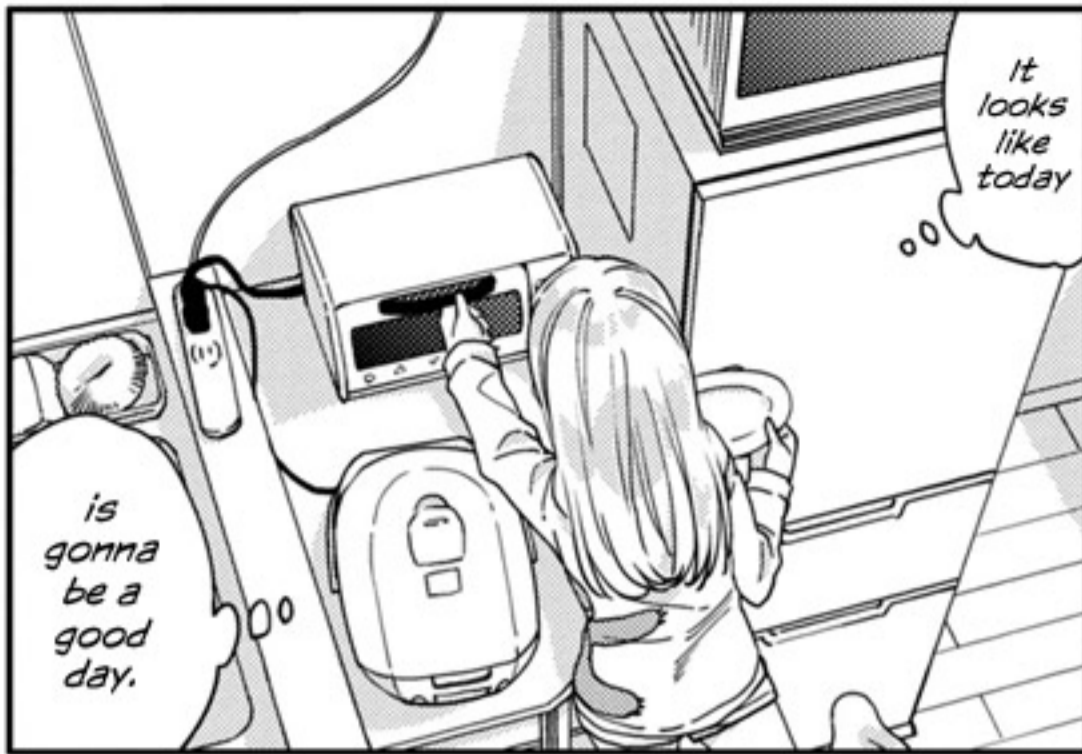

I've already left the house~

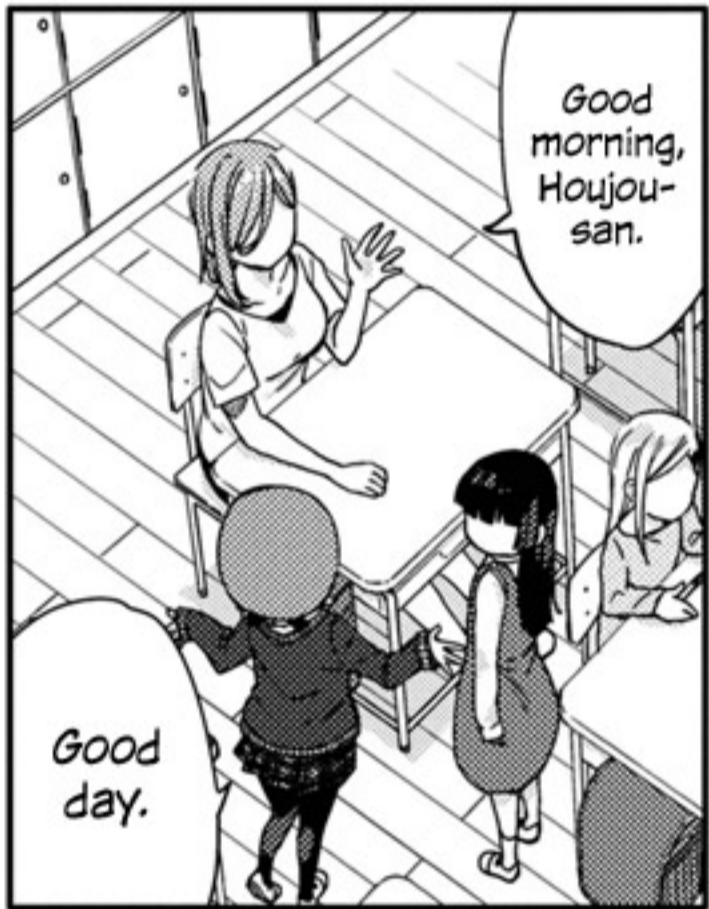

Right now I'm on a park bench watching the pigeons.

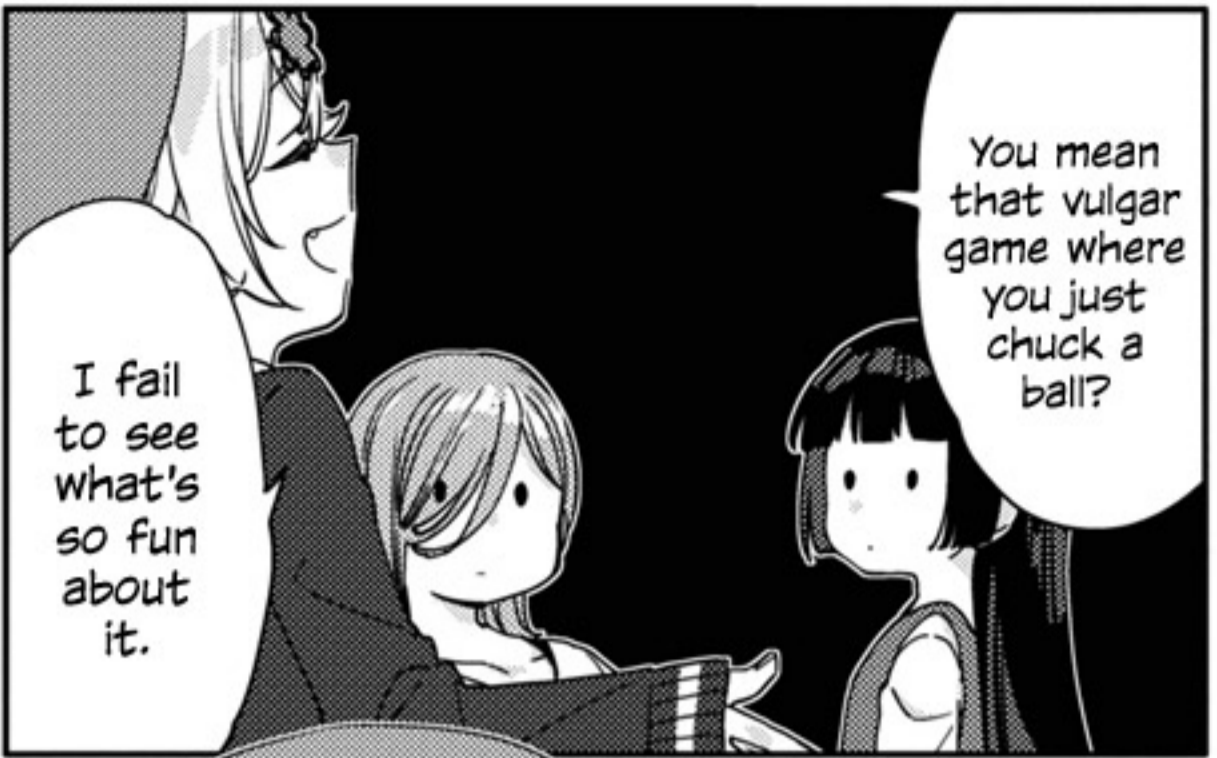

That's right!

Y'know ...

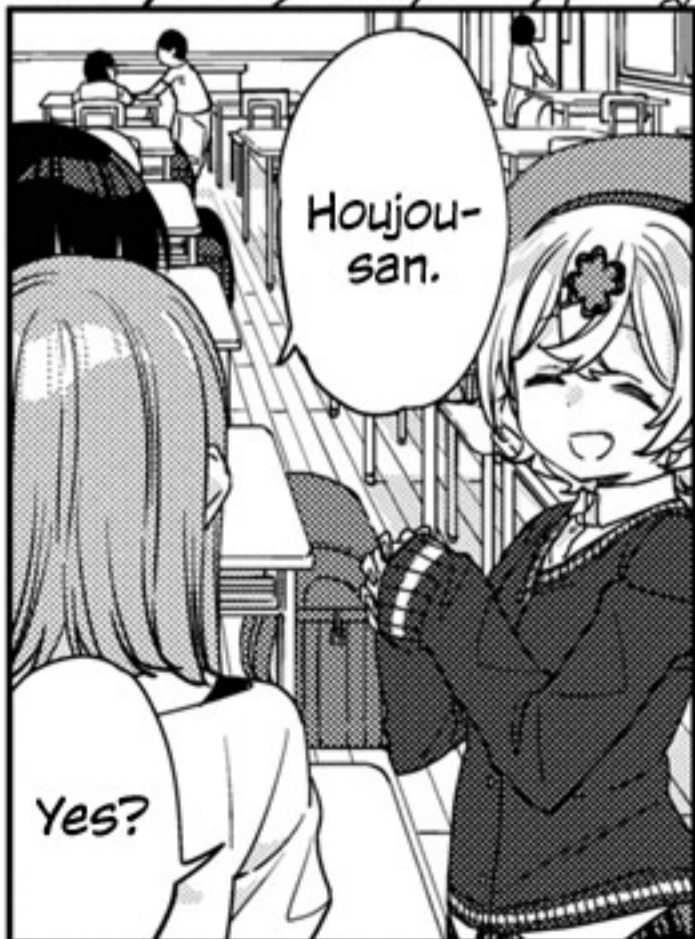

I fail to see what's so fun about it.

You mean that vulgar game where you just chuck a ball?

Forget that silly game and join me instead!

It just so happens that my Gramps is receiving an award and will be holding a dinner party on that day!

Houjou-san.

Yes?

It will no doubt be far more fun than playing with mere balls!

I'll ask my Gramps to...

There'll be delicious food and TV personalities.

We've already invited someone else to join us ...

...!

I appreciate the invitation,

but I'm sorry.

We can't go.

That's right.

...

...You mean

that lady from the pool?

Mai-san,

I believe I already warned you

to stop hanging around people like that.

...

THIS ISN'T JUST ABOUT YOU!

Another fight!?

because you don't know Onee-san, Houjou-san.

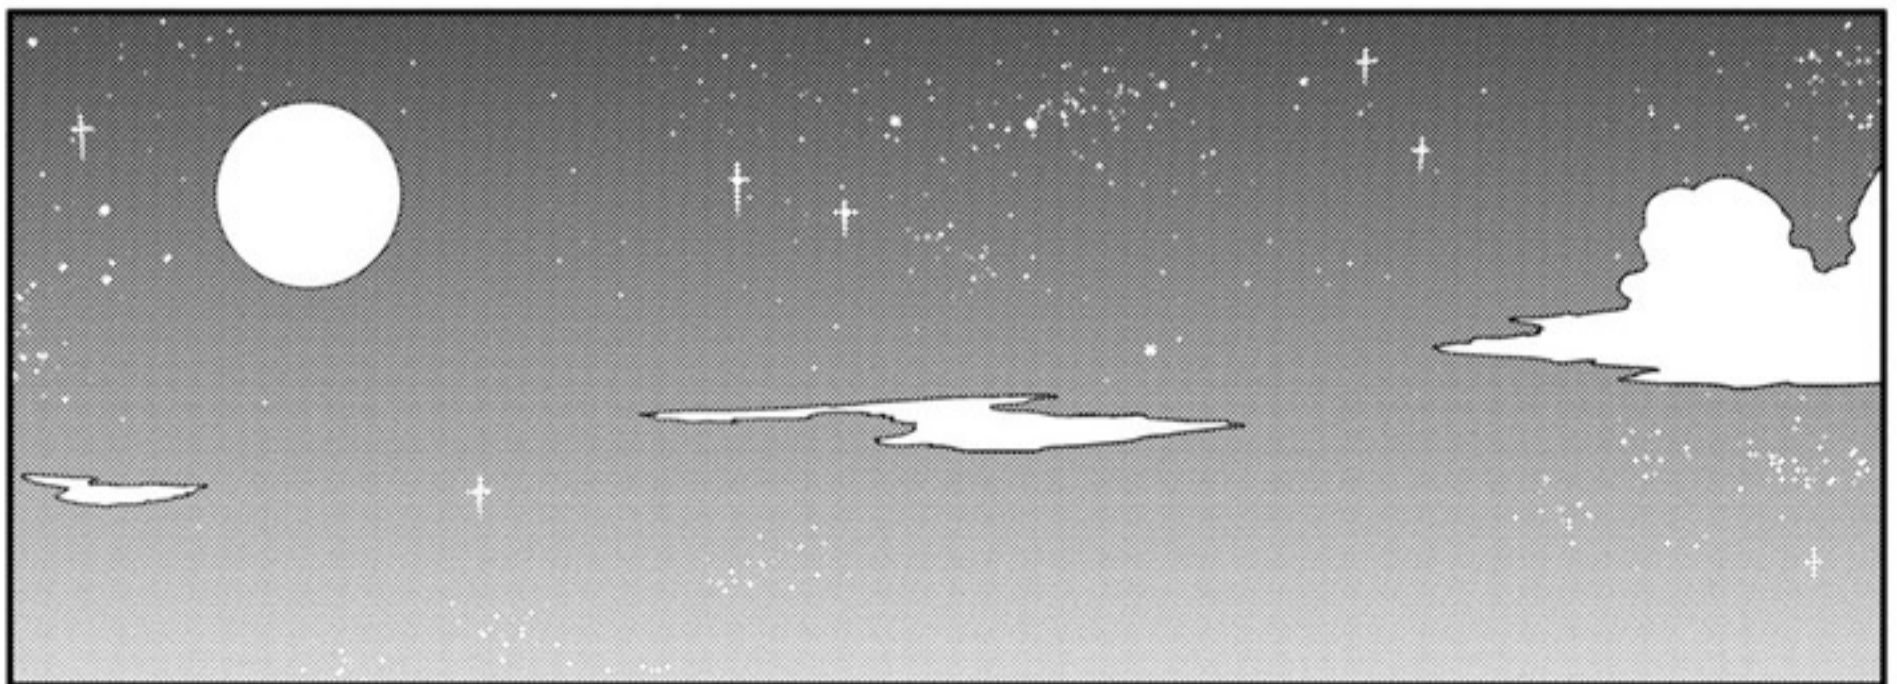

Being friends

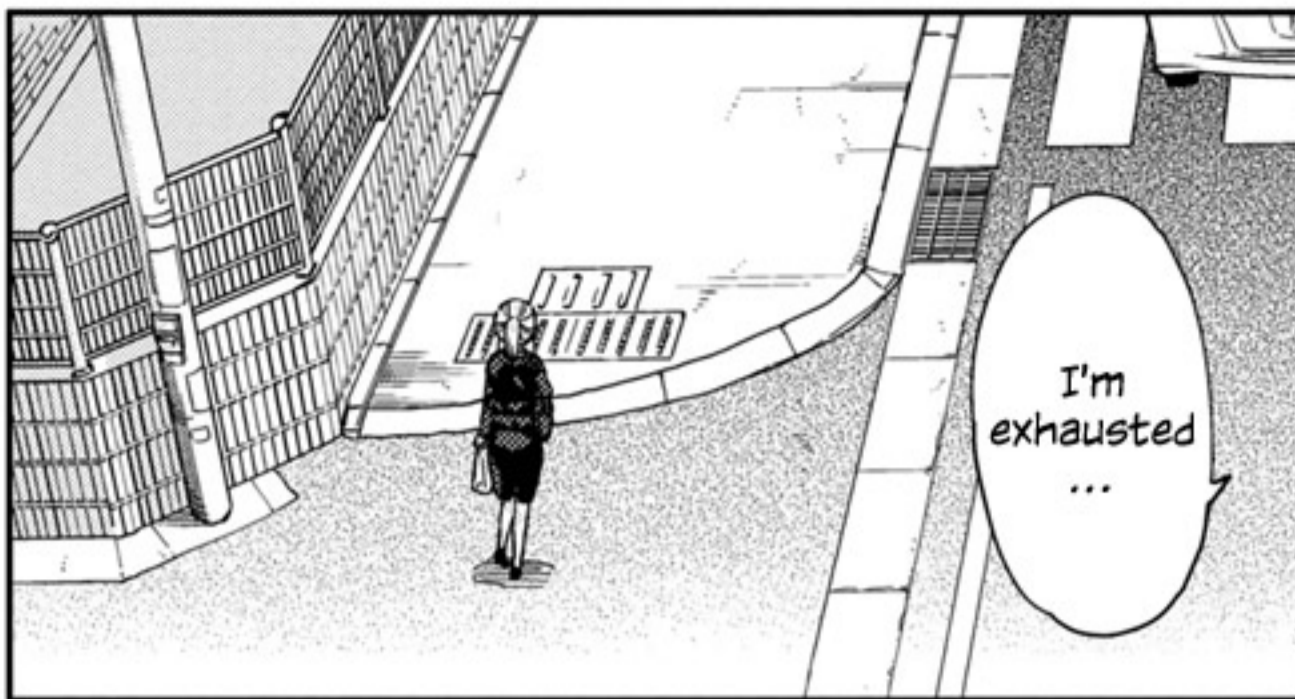

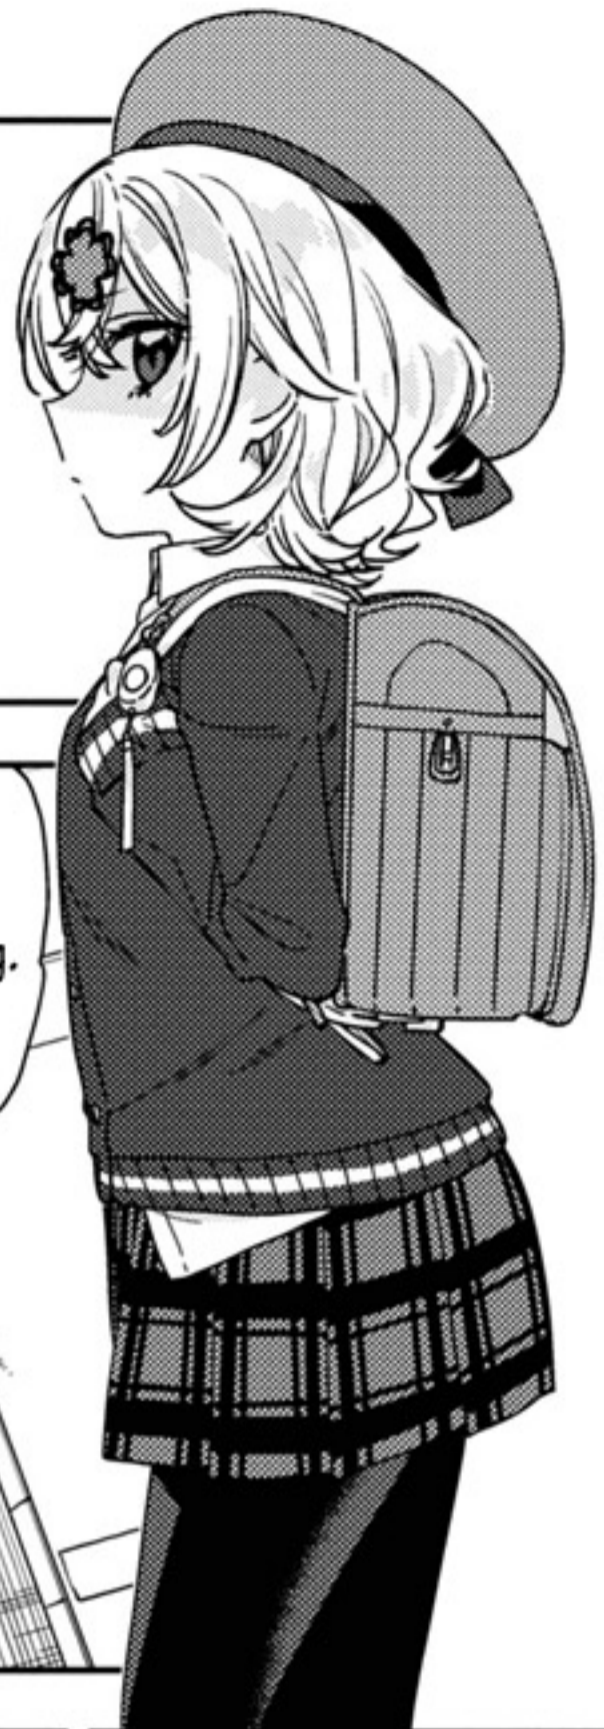

Even if you tell me that,

we're friends.

Igarashi
Mai-san's
friend,

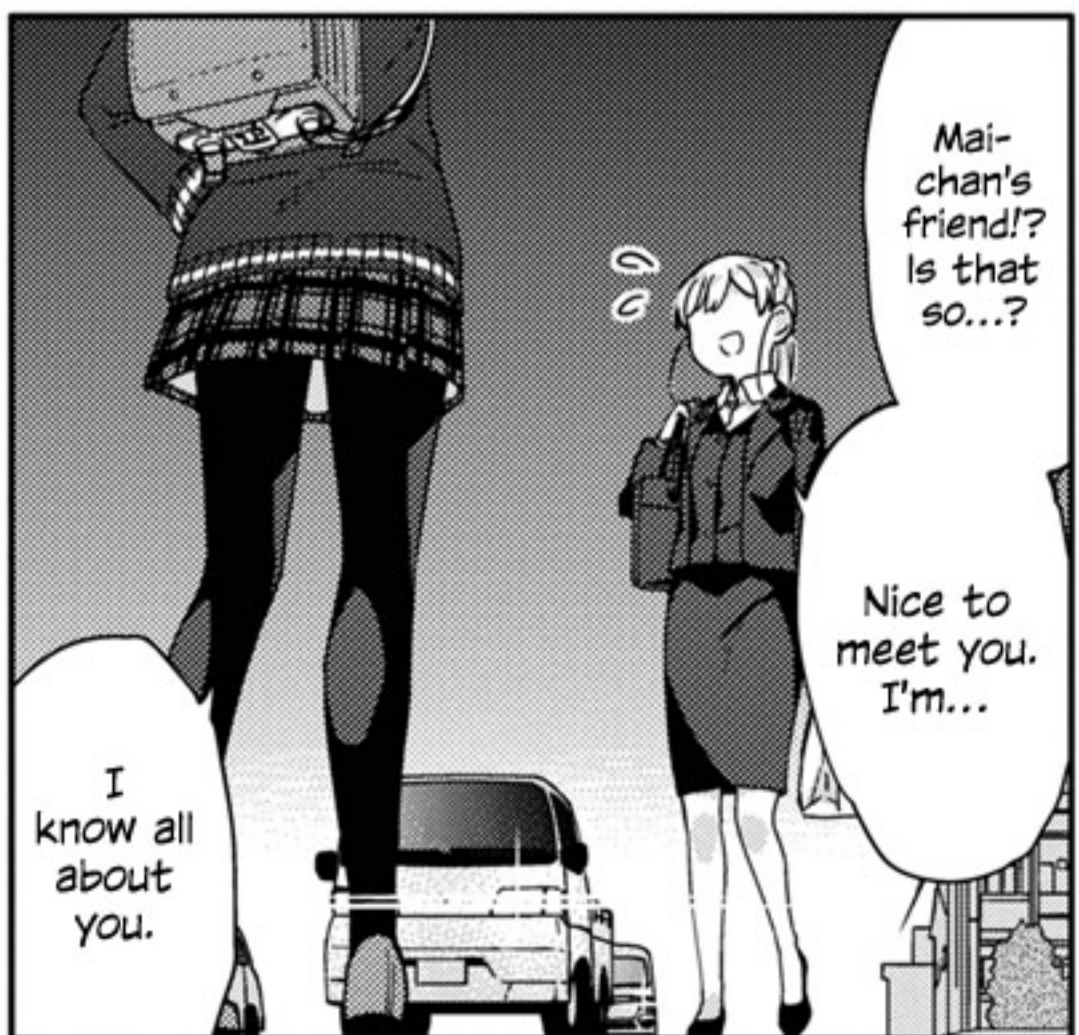

Houjou
Yuki.

That's
right!

You're her
acquain-
tance from
the public
pool...

To
think I'd
run into
one of
Mai-chan's
friends
here of
all places
...

Mai-
chan's
friend!?
Is that
so...?

I
know all
about
you.

Nice to
meet you.
I'm...

Eeh...?

She's been talking

Mai-chan talks

But how did you...

a lot about you at school.

with this adult she met at the pool

who keeps bothering her.

about how fed up she is

I'll cut straight to the point.

Eh...?

And so, as Mai-san's friend,

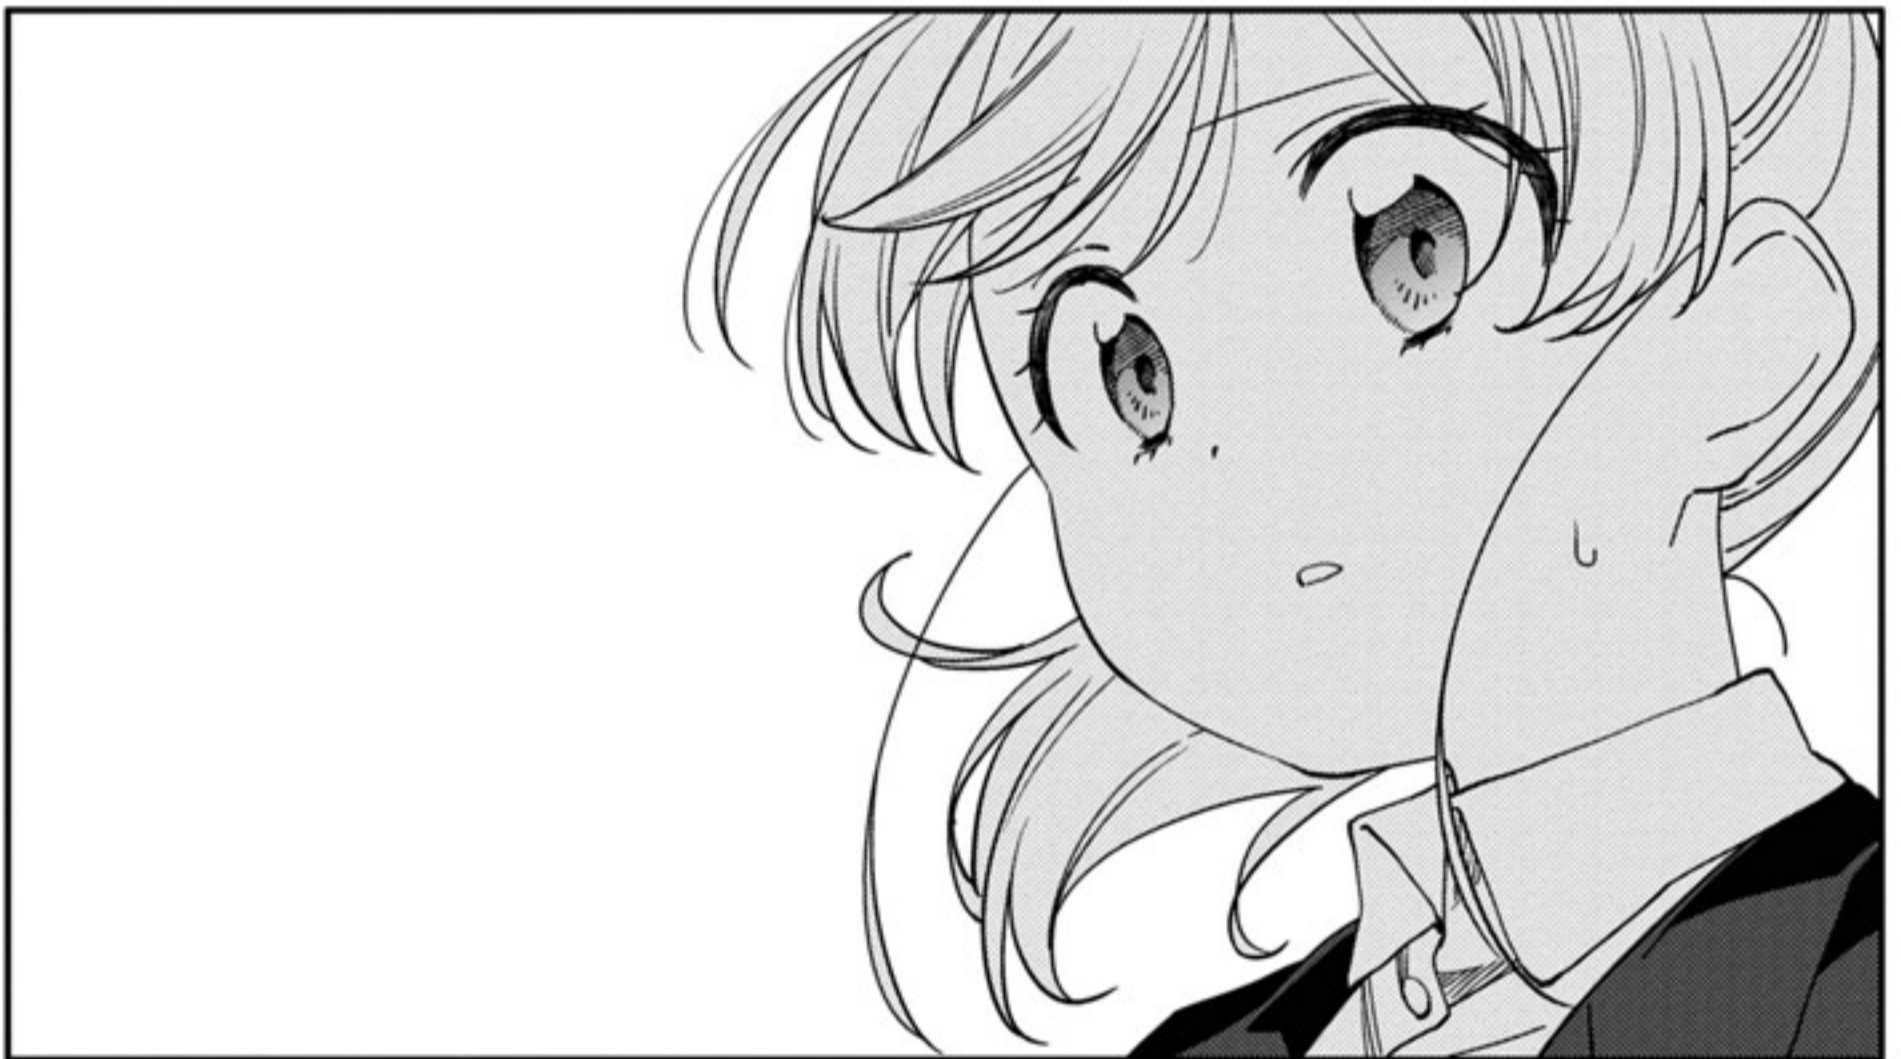

I decided to wait here to meet you.

Could you please

never get involved with Mai-san again?

Eh...?

Kiwotsukenayo, Onesan.
